TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT dated as of June 21, 2016 (this “Assignment”) is by and among The Medicines Company, a Delaware corporation (“Seller Parent” or “Assignor”), and Chiesi Farmaceutici S.p.A., a private limited company organized under the Laws of Italy (“Assignee”).

WITNESSETH:

WHEREAS, Seller Parent, Assignee, and, solely for purposes of Article VII thereof, Chiesi USA, Inc., a Delaware corporation, have entered into a Purchase and Sale Agreement, dated as of May 9, 2016 (the “Purchase Agreement”), pursuant to which, among other things, Seller Parent has agreed to sell or cause to be sold certain assets to Assignee (and/or one or more of its designated Subsidiaries), as more fully described in the Purchase Agreement and upon the terms and conditions set forth therein; and

WHEREAS, pursuant to the Purchase Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to assume from Assignor, the Marks set forth on Schedule A.

NOW, THEREFORE, in consideration of the mutual promises made herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms and subject to the conditions set forth herein, the parties hereto hereby agree as follows:

1. Definitions. Capitalized terms used but not defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.

2. Assignment. Assignor does hereby irrevocably and unconditionally grant, sell, transfer, convey, assign and deliver to Assignee all of Assignor’s right, title and interest in and to the Marks set forth on Schedule A. Assignor does further consent to the recordation of this Assignment by Assignee with the United States Patent and Trademark Office.

3. Further Assurances. Assignee shall be solely responsible for all actions and all costs whatsoever, including attorney’s fees, arising after the date hereof and associated with the registration and the renewal of the Marks set forth on Schedule A, and Assignor shall have no obligation to pay any registration costs and/or renewal fees which become due for such Marks after the date hereof. Assignee shall be responsible for preparing and translating any documents that Assignee records to perfect its right, title and interest in the Marks in any jurisdiction and all costs and fees associated with such recordation documents.

4. No Modification of the Purchase Agreement. Nothing contained herein shall release Seller Parent or Assignee from any of their respective obligations under the Purchase Agreement or in any way supersede, enlarge, diminish, limit, amend or modify any of the representations, warranties, indemnities, covenants or agreements of such parties set forth in the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

5. General Provisions. Sections 1.2, 5.10, 13.1, 13.4, 13.5, 13.7, 13.8, 13.9, 13.10, 13.11, 13.13, 13.14 and 13.15 of the Purchase Agreement are each hereby incorporated by reference herein *mutatis mutandis*.

[Signature Page Follows]

IN WITNESS WHEREOF, each of Assignor and Assignee have caused this instrument to be signed by its proper and duly authorized officer as of the date and year first written above.

THE MEDICINES COMPANY
