WHEREAS, Lenders are willing to make Loans to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Administrative Agent, for the benefit of Lenders, that certain Security and Pledge Agreement dated as of even date herewith (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, including all schedules and exhibits thereto, the “**Security Agreement**”); and

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Each Grantor hereby grants to Administrative Agent, for the benefit of Lenders, a valid and continuing first priority security interest in and Lien on all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of such Grantor’s Trademark registrations and Trademark applications, including, without limitation, those referred to on Schedule 1 hereto;

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

(c) all reissues, continuations, continuations in part, substitutes, extensions, modifications or renewals of and improvements on the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(e) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement, misappropriation or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

Notwithstanding anything to the contrary herein, the Trademark Collateral shall not extend to any intent-to-use United States trademark applications for which a statement of use has not been filed with and duly accepted by the United States Patent and Trademark Office (but only until such statement is accepted by the United States Patent and Trademark Office).

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Secured Obligations of each Grantor, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Administrative Agent, Lenders, or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with and in furtherance of the security interests granted to Administrative Agent, for the benefit of Lenders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, and to the extent a conflict exists, the terms of the Security Agreement control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. If any Grantor shall file an application for the registration of any trademark with the United States Patent and Trademark Office, such Grantor shall report such filing to Administrative Agent within fifteen (15) Business Days after the last day of the fiscal quarter in which such filing occurs (in accordance with Section 4(k) of the Security Agreement). Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Administrative Agent unilaterally to modify this Trademark Security Agreement by amending Schedule 1 to include any such new trademark rights of Grantors, which become part of the Trademark Collateral under the Security Agreement. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule 1 shall in any way affect, invalidate or

detract from Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule 1.

6. SUCCESSORS IN INTEREST. 7. COUNTERPARTS; INTEGRATION. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed an original with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof or thereof.

Any reference herein or in any other Financing Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms hereof) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns. Any requirement of a writing contained herein or in any other Financing Document shall be satisfied by the transmission of a Record, and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.
