## SECOND LIEN TRADEMARK SECURITY AGREEMENT

THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT dated as of March 30, 2017, (this “Agreement”), made by **SAFE-GUARD PRODUCTS INTERNATIONAL, LLC**, a Georgia limited liability company (the “Grantor”), and **WILMINGTON TRUST, NATIONAL ASSOCIATION**, as collateral agent (in such capacity, the “Collateral Agent”).

Reference is made to (a) the Second Lien Intellectual Property Security Agreement dated as of March 30, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among GUARD HOLDING CORP., a Delaware corporation (the “Parent”), SG ACQUISITION, INC., a Delaware corporation (the “Borrower”) and the other Grantors (as defined therein) from time to time party thereto, in favor of the Collateral Agent and (b) the Second Lien Credit Agreement dated as of March 30, 2017 (as amended, supplemented or otherwise modified, refinanced and/or restated from time to time, the “Credit Agreement”), among the Borrower, the Parent, the other Guarantors from time to time party thereto, WILMINGTON TRUST, NATIONAL ASSOCIATION, as the Administrative Agent and the Collateral Agent, and each lender from time to time party thereto (collectively, the “Lenders” and individually, a “Lender”). The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor is an affiliate of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement and if not defined therein, in the Credit Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guaranty, the Grantor, pursuant to the Security Agreement, hereby assigns, pledges and grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

all of the following now owned or hereafter acquired by the Grantor arising under the laws of the United States or any political subdivision thereof;

(a) all trademarks, service marks, trade names, domain names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general indicators of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith,

including registrations and registration applications in the United States Patent and Trade-mark Office or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule I, and all rights to sue or otherwise recover for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof, and to the extent not otherwise included, all Proceeds and products of any and all of the foregoing, including license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and all collateral security and guarantees given by any Person with respect to any of the foregoing, and all other rights of any kind accruing thereunder or pertaining thereto throughout the world (the "Trademarks"), and

(b) all goodwill associated with or symbolized by the Trademarks;

provided that applications in the United States Patent and Trademark Office to register Trademarks on the basis of the Grantor's "intent-to-use" such Trademarks will be deemed to be excluded from the Trademark Collateral prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application or any registration issuing therefrom under applicable Laws of the United States; and provided further that, upon the filing of a "Statement of Use" or "Amendment to Allege Use" with respect to any such application, the Trademark that is the subject of such application shall be automatically subject to the security interest granted herein and deemed to be included in the Trademark Collateral.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
