INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (the "Assignment") is made as of April 3, 2017, by and between Patriot National, Inc., a Delaware corporation, having offices at 401 E. Las Olas Boulevard, Suite 1650, Fort Lauderdale, FL 33301 ("ASSIGNOR"), and Global HR Research, Inc., a Delaware corporation ("ASSIGNEE"). Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in that certain Asset Purchase Agreement, dated as of the date hereof, by and between ASSIGNEE and Global Radar Acquisition LLC (the "APA").

WHEREAS, ASSIGNOR owns all right, title and interest in and to the Assigned Intellectual Property (defined below); and

WHEREAS, ASSIGNEE, in connection with the transactions contemplated by the APA, is desirous of acquiring ASSIGNOR's entire right, title and interest in and to the Assigned Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR and ASSIGNEE hereby agree as follows.

1. ASSIGNOR does hereby sell, assign, transfer and set over to ASSIGNEE, its successors and assigns, ASSIGNOR's entire right, title and interest in and to the Assigned Intellectual Property.

2. "Assigned Intellectual Property" means all Intellectual Property that is owned by ASSIGNOR and used in or necessary for the conduct of the Business as currently conducted by ASSIGNEE, including, without limitation, the Intellectual Property set forth on Schedule A attached hereto.

3. "Business" means the pre-hire services including background screening, criminal background checks, references, employment and educational verification, drug testing and on-boarding and assessment solutions offered by ASSIGNEE immediately prior to the date hereof.

4. "Intellectual Property" means all intellectual property and industrial property rights and assets, and all rights, interests and protections that are associated with, similar to, or required for the exercise of, any of the foregoing, however arising, pursuant to the Laws of any jurisdiction throughout the world, whether registered or unregistered, including any and all: (a) trademarks, service marks, trade names, brand names, logos, trade dress, design rights and other similar designations of source, sponsorship, association or origin, together with the goodwill connected with the use of and symbolized by, and all registrations, applications and renewals for, any of the foregoing; (b) internet domain names, whether or not trademarks, registered in any top-level domain by any authorized private registrar or Governmental Authority, web addresses, web pages, websites and related content, accounts with Twitter, Facebook and other social media companies and the content found thereon and related thereto, and URLs; (c) works of authorship, expressions, designs and design registrations, whether or not copyrightable, including copyrights, author, performer, moral and neighboring rights, and all registrations, applications for registration and renewals of such copyrights; (d) inventions, discoveries, trade secrets, business and technical information and know-how, Databases, data collections and other confidential and proprietary information and all rights therein; (e) patents (including all reissues, divisionals, provisionals, continuations and continuations-in-part, re-examinations, ex parte reviews, post grant reviews, renewals, substitutions and extensions thereof), patent applications, and other patent rights and any other Governmental Authority-issued indicia of invention ownership (including inventor's certificates, petty patents and utility models); (f) software and firmware existing or under development, including data files, source code, object code, application programming interfaces, architecture, files, records, schematics,

algorithms, scripts, Databases and other related specifications, code, and documentation; (g) royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and (h) all rights to any Actions of any nature available to or being pursued by Seller to the extent related to the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for past, present and future damages, restitution and injunctive relief for infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief, and to collect, or otherwise recover, any such damages.

5. ASSIGNOR hereby covenants that ASSIGNOR has the full right to convey the entire interest herein assigned, and that ASSIGNOR has not executed, and will not execute, any agreement in conflict with this Assignment.

6. The foregoing assignment of the Assigned Intellectual Property includes all rights to sue for past, present and future infringement, including the right to collect and receive any damages, royalties or settlements for such infringements, all rights to sue for injunctive or other equitable relief and any and all causes of action relating to any of the Assigned Intellectual Property;

7. ASSIGNOR hereby agrees to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of the Assigned Intellectual Property or in the preparation or prosecution of any continuation, continuation-in-part, substitute, divisional, renewal, reexamination or reissue applications or in any amendments, extensions or interference proceedings, or other applications for patents or trademarks of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in the aforementioned Assigned Intellectual Property.

8. ASSIGNOR hereby further covenants and agrees that ASSIGNOR will communicate to ASSIGNEE any and all facts known to ASSIGNOR respecting said Assigned Intellectual Property, and testify in any legal proceeding, sign all lawful papers, execute and deliver all papers and take an actions that may be necessary or desirable to perfect the title to any of the Assigned Intellectual Property.

9. ASSIGNOR does hereby authorize and request the Director of the United States Patent and Trademark Office, and directors of equivalent foreign patent offices, to issue any and all letters patent and trademark registrations which may be granted upon said Assigned Intellectual Property, or upon any improvements thereto, or any parts thereof, when granted, to ASSIGNEE.

IN TESTIMONY WHEREOF, I hereunto set my hand this 3rd day of April, 2017.
