## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is dated as of January 1, 2017 between INSIGHT MANUFACTURING SYSTEMS, INC., a Nevada corporation (the “**Assignor**”) and CTS ACQUISITION, LLC, a Delaware limited liability company (the “**Assignee**”).

WHEREAS, the Assignor owns the entire right, title and interest in and to the trademarks and trademarks applications listed on Exhibit A hereto (the “**Trademarks**”) and the domain names and social media accounts listed on Exhibit B, and all associated web addresses, URLs, websites and web pages, and social media sites and pages, and all content and data thereon or relating thereto (collectively, the “**Internet Assets**”);

WHEREAS, the Assignee desires to acquire the Trademarks and the Internet Assets; and

WHEREAS, the parties have entered into a certain Asset Purchase Agreement, dated as of January 1, 2017, under which the Assignee purchased certain assets of Assignor, including without limitation the Trademarks and the Internet Assets (the “**Asset Purchase Agreement**”);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor hereby sells, assigns, transfers, and sets over to the Assignee, its successors and assigns, the Assignor’s entire right, title and interest in and to each Trademark; any goodwill associated with or symbolized by each Trademark; and all rights of any kind accruing under or associated with the Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world (collectively, the “**Assigned Trademarks**”).

2. Assignor hereby sells, assigns, transfers, and sets over to the Assignee, its successors and assigns, all internet domain name registrations and social media accounts or user names (including “handles”) incorporating any Assigned Trademark or any acronym, abbreviation, or component thereof, including without limitation the Internet Assets.

3. Assignor hereby sells, assigns, transfers, and sets over to the Assignee, its successors and assigns, any and all claims and causes of action with respect to any of the Assigned Trademarks and the Internet Assets, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

4. Assignor hereby sells, assigns, transfers, and sets over to the Assignee, its successors and assigns, all royalties, fees, income, payments, and other proceeds now or hereafter due or payable to Assignor with respect to the Assigned Trademarks and the Internet Assets.

5. Assignor hereby authorizes and requests the Commissioner of Trademarks of the United States or the personnel of other appropriate bodies to record this Assignment of each Assigned Trademark to the Assignee, its successors and assigns, in accordance with the terms of this Assignment.

6. Assignor agrees to execute and notarize any further documents or take any further actions required to effect the intent of Sections 1-4 and to perfect Assignee's or Assignee's successors' and assigns' ownership of the Assigned Trademarks and the Internet Assets. Assignee will bear any expenses related to the recordation of the Assigned Trademarks and the Internet Assets.

7. This Assignment is entered into pursuant to the Asset Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned Trademarks and the Internet Assets. The representations, warranties, covenants, agreements and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement and the terms hereof, the terms of the Asset Purchase Agreement shall govern.

8. Assignor hereby irrevocably designates and appoints (which designation and appointment is coupled with an interest) Assignee and its duly authorized officers and agents as its agents and attorneys-in-fact, to act for and on its behalf and stead to execute and file any and all such applications, registrations, and other documents and to do all other lawfully permitted acts to further the prosecution thereon with the same legal force and effect as if executed by Assignor.

9. This Assignment will inure to the benefit of, and be binding upon, the parties, together with their respective representatives, successors, and assigns.

10. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including PDF) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

11. This Assignment may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. No amendment, supplement, modification or waiver of this Assignment shall be binding unless executed in writing by the party to be bound thereby. No waiver of any of the provisions of this Assignment shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), nor shall such waiver constitute a continuing waiver unless otherwise expressly provided.

12. If any term or other provision of this Assignment is invalid, illegal, or incapable of being enforced by any law or public policy, all other terms or provisions of this Assignment shall nevertheless remain in full force and effect so long as the economic or legal substance is not affected in any manner materially adverse to a party. Upon such determination that any term

or other provision is invalid, illegal, or incapable of being enforced, the parties shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties as closely as possible in a reasonably acceptable manner.

13. This Assignment shall be construed, interpreted and the rights of the parties determined in accordance with the laws of the State of Delaware (without reference to its choice of law provisions).

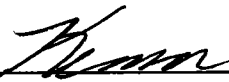

14. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including PDF) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.
