TRADEMARK SECURITY AGREEMENT
(SHORT-FORM)

TRADEMARK SECURITY AGREEMENT, dated as of March 29, 2017 (this “**Agreement**”) among EVERI PAYMENTS INC. (f/k/a Global Cash Access, Inc.), a Delaware corporation located at 7250 South Tenaya Way, Suite 100 Las Vegas, Nevada 89113 (the “**Company**”), the other Grantors identified herein and DEUTSCHE BANK TRUST COMPANY AMERICAS, as Collateral Agent for the Secured Parties.

Reference is made to that certain Security Agreement dated as of April 15, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Company, the other Grantors identified therein and who from time to time become a party thereto and the Collateral Agent. The Secured Parties’ agreements in respect of a sale of senior secured notes by the Company are set forth in that certain Note Purchase Agreement dated as of April 15, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Note Purchase Agreement**”), by and among the Company, Global Cash Access Holdings, Inc., as parent, the purchasers party thereto and the Collateral Agent. The Guarantors are affiliates of the Company, will derive substantial benefits from the execution, delivery and performance of the obligations under the Note Purchase Agreement, and the undersigned Grantors are therefore willing to enter into this agreement. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Schedule II of the Note Purchase Agreement also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, including the Obligations under the Note Guaranty, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does pledge to the Collateral Agent for the benefit of the Secured Parties, and did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers protected under the laws of the United States or any state or political subdivision thereof, all registrations and recordings thereof, all registration and recording applications filed in connection therewith in the USPTO, and all renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor, including those listed on Schedule I hereto, and (b) all goodwill connected with the use thereof and symbolized thereby; *provided* that the grant of security interest shall not include any “intent-to-use” trademark applications prior to the filing and acceptance of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or

an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto.

Section 3. Termination. This Trademark Security Agreement and the security interest granted hereby shall automatically terminate with respect to all of a Grantor's Secured Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver, at the sole expense of the Grantors, to any Grantor as such Grantor may request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory performance or payment, the Collateral Agent shall reasonably cooperate, at the sole expense of the Grantors, with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Governing Law, Etc. The terms of Sections 5.09 and 5.10 of the Security Agreement with respect to governing law, submission to jurisdiction, waiver of venue, service of process and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

Section 6. Intercreditor Agreement Governs. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to this Agreement are expressly subject to the Intercreditor Agreement, if then in effect, and (ii) the exercise of any right or remedy by the Collateral Agent hereunder is subject to the limitations and provisions of the Intercreditor Agreement, if then in effect. In the event of any conflict between the terms of the Intercreditor Agreement, if then in effect, and the terms of this Agreement, the terms of the Intercreditor Agreement, if then in effect, shall govern.
