**TRADEMARK ASSIGNMENT AGREEMENT**

This Trademark Assignment Agreement (“Agreement”) is made and entered into as of November 10, 2016 (the “Effective Date”), by and between ALLERGAN, INC., a Delaware corporation (“Allergan”), ALLERGAN INC., a private Canadian corporation (collectively with Allergan, “Assignor”), and SOFREGEN MEDICAL IRELAND LIMITED, an Irish private limited company (“Assignee”). Assignor and Assignee is sometimes referred to herein, individually, as a “Party” and, collectively, as the “Parties.” Reference is made to the Asset Purchase Agreement, dated as of the date hereof (the “Asset Purchase Agreement”), by and among Allergan Sales, LLC, a Delaware limited liability company (“ASLLC”), Allergan Pharmaceuticals Holdings (Ireland), an Irish incorporated private unlimited liability company (together with ASLLC, “Seller”) and Assignee and Sofregen Medical Inc., a Delaware corporation. Capitalized terms used herein without definition shall have the meanings ascribed to such terms in the Asset Purchase Agreement.

**RECITALS**

**WHEREAS**, pursuant and subject to the terms of the Asset Purchase Agreement, the Seller Parties are selling to Buyer certain assets of the Seller Parties exclusively related to the Business;

**WHEREAS**, Assignor is the owner of the trademarks and trademark registrations and applications as set forth in Schedule 2.2(a)(ii) of the Asset Purchase Agreement and attached hereto as Exhibit A (collectively, the “Trademarks”);

**WHEREAS**, pursuant to the Asset Purchase Agreement, Seller has agreed that Assignor shall, among other things, irrevocably transfer and assign to Assignee all of Assignor’s ownership in and to the Trademarks as set forth herein; and

**WHEREAS**, the Parties hereto desire to effectuate the assignment of Assignor’s right, title and interest in and to the Trademarks.

**NOW, THEREFORE**, in consideration of the covenants, representations and warranties contained in the Asset Purchase Agreement, and the Recitals set forth above, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Parties hereto agree as follows:

**ASSIGNMENT**

1. Assignment. Effective as of the Effective Date, Assignor, on behalf of itself and its Affiliates, hereby sells, conveys, transfers, assigns and delivers to Assignee all of Assignor’s right, title and interest in and to the Trademarks and the goodwill of the Business symbolized by the Trademarks to the full extent of Assignor’s ownership or interest therein; all rights to causes of action and remedies related thereto (including, without limitation, the right to sue for past, present or future infringement, misappropriation or violation of rights related to the foregoing); and any and all other rights and interests arising out of, in connection with or in relation to the Trademarks.

2. Further Assurances. Promptly following the Effective Date, Assignor agrees to execute and deliver any and all additional instruments and documents reasonably requested by Assignee for the purposes of effectuating a full assignment, transfer, and conveyance of Assignor's interest in and to the Trademarks to Assignee.

3. Costs. Assignee shall be solely responsible for and bear all costs, fees and expenses, including Assignee's attorneys' fees, with respect to the assignment, registration, maintenance, protection and enforcement of the Trademarks from and after the Effective Date, including the patent office fees in any jurisdiction associated with the recordation or filing of any assignment of the Trademarks to Assignee.

4. No Modification to Asset Purchase Agreement. This Agreement shall be construed and interpreted in accordance with the Asset Purchase Agreement. Nothing in this Agreement shall, or shall be deemed to, modify or otherwise affect any provisions of the Asset Purchase Agreement or affect or modify or expand any rights or obligations of the parties under the Asset Purchase Agreement. In the event of any conflict between the provisions hereof and the provisions of the Asset Purchase Agreement, the provisions of the Asset Purchase Agreement shall govern and control. Neither Assignor nor Assignee makes any representations or warranties of any kind, whether express, implied, or otherwise, under this Agreement, subject to the representations or warranties expressly provided in the Asset Purchase Agreement.

5. Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard any conflicts of laws principles of the State of Delaware or any other jurisdiction that would require the application of the laws of any other jurisdiction.

6. Binding Effect; Assignment. The rights and obligations of this Agreement shall bind and inure to the benefit of the Parties and their respective successors and assigns. Nothing expressed or implied herein shall be construed to give any other person any legal or equitable rights hereunder.

7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one and the same instrument.

8. Entire Agreement. This Agreement, together with Exhibit(s) hereto which are incorporated herein by reference, constitutes the entire agreement between and among the Parties with regard to the subject matter hereof. This Agreement supersedes all previous agreements and understandings, whether written or oral, between or among the Parties with respect to the subject matter hereof.
