ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks (the "Assignment"), dated as of January 31, 2017, is being executed by Argon Medical Devices, Inc., a Delaware corporation ("Assignor"), in favor of Merit Medical Systems, Inc., a Utah corporation ("Assignee").

WHEREAS, Assignor is the owner of the trademarks set forth on Schedule A hereto (the "Assigned Trademarks");

WHEREAS, Assignor and Assignee are parties to that certain Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which, among other things, Assignor has agreed to assign to Assignee the Assigned Trademarks; and

WHEREAS, Assignor wishes to assign to Assignee, and Assignee wishes to accept from Assignor, all right, title and interest of Assignor in and to the Assigned Trademarks.

NOW, THEREFORE, in consideration of the mutual promises and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignment. Effective as of the date hereof, Assignor sells, transfers, assigns and delivers to Assignee, and Assignee purchases, accepts and assumes from Assignor, all of Assignor's right, title and interest in and to the Assigned Trademarks, including any and all associated: (i) goodwill associated with the business represented by the Assigned Trademarks, together with all rights to use, license and otherwise exploit the Assigned Trademarks; (ii) common law rights associated with the Assigned Trademarks, as well as any applications or registrations associated with the Assigned Trademarks, including those relating to foreign trademarks that may claim priority based on and correspond to the Assigned Trademarks; (iv) rights to sue for past, present and future infringements, including the right to settle suits involving claims and demands for royalties owing, and all other benefits, privileges, causes of actions, and remedies relating to the Assigned Trademarks; and (v) rights to assign the rights conveyed herein, the same to be held and enjoyed by Assignee for its own use and benefit, and for the benefit of its successors, assigns and legal representatives.

2. Successors and Assigns. This Assignment shall be binding upon the parties and their permitted successors and assigns.

3. Governing Law. This Assignment shall be governed and controlled as to validity, enforcement, interpretation, construction, effect and in all other respects by the laws of the State of Delaware, without reference to its principles of conflicts of laws that would require application of the substantive laws of any other jurisdiction.

4. Further Assurances. At any time and from time to time hereafter, at Assignee's request, Assignor shall take any and all steps and execute, acknowledge and deliver to Assignee any and all further instruments and assurances that are necessary or reasonably requested in order to register, vest, maintain, defend, enforce, or otherwise exploit the rights assigned herein.

5. Counterparts. This Assignment may be executed by counterpart signature, each of which signature shall be deemed an original and all of which counterparts together shall constitute one in the same instrument. Furthermore, delivery of a copy of such signature by electronic transmission shall constitute a valid and binding execution and delivery of this Assignment by such party, and such electronic copy shall constitute an enforceable original document.

[Signature page follows]

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed as of the date first written above.
