**Re: Change of Name Recordation
Visium Healthcare Partners, LP to Madryn Health Partners, LP
Reel 6006/Frame 0430; Recorded March 8, 2017**

TO WHOM IT MAY CONCERN:

The following information is provided related to our request for a Corrective Assignment being filed concurrently herewith.

On March 8, 2017, a change of name was submitted for recordation to the U.S. Patent and Trademark Office (“USPTO”) through the Electronic Trademark Assignment System (“ETAS”) for certain trademark registrations and applications in which Madryn Health Partners, LP, previously Visium Healthcare Partners, LP, as Administrative Agent (the “Administrative Agent”) has a security interest. The documents filed with the change of name related to a change of name for the Administrative Agent, namely from Visium Healthcare Partners, LP to Madryn Health Partners, LP. The change of name was recorded at Reel 6006/Frame 0430 and the corresponding Notice of Recordation was received from the USPTO on March 16, 2017.

Following recordation of the change of name, it appears that the USPTO has updated its trademark database to reflect Madryn Health Partners, LP as owner of the certain trademark registrations and applications, rather than the holder of the security interest. The documents submitted with the change name related to a change of name of the Administrative Agent, not to a change of name of the record owners of the certain trademark registrations and applications.

Upon learning of this error, I contacted Lanai Butler of the Assignment Recordation Branch on April 13, 2017. Ms. Butler advised that the nature of conveyance on the cover sheet of the March 8 submission should have been identified as “Security Interest Change of Name”, not “Change of Name”. Ms. Butler further advised that this error should be corrected by submitting a Corrective Assignment indicating that the nature of conveyance on the cover sheet should have been identified as “Security Interest Change of Name”, not “Change of Name”. On April 19, 2017, I spoke to Michele Carter of the Assignment Recordation Branch. Ms. Carter indicated that the nature of conveyance should be identified as “Second Amended and Restated Certificate of Limited Partnership” instead of “Security Interest Change of Name”.

Therefore, we are currently submitting a Corrective Assignment requesting that the nature of conveyance of the original submission be correctly identified as “Second Amended and Restated Certificate of Limited Partnership”. We respectfully request that the USPTO update its

trademark database to reflect that the Administrative Agent, and not the owners of the certain trademark registrations and applications, has changed its name to Madryn Health Partners, LP

Please contact our office as indicated above should you have any further questions regarding the requested Corrective Assignment.

Sincerely,

/Peter B. Stewart/ [Electronic Signature]
