Capitalized terms used but not defined herein shall have the same meanings assigned to such terms in the Security Agreement.

WITNESSETH:

WHEREAS, Ixia, a California corporation (the "Grantor"), certain of its affiliates and Administrative Agent are parties to the Security Agreement;

WHEREAS, pursuant to the Security Agreement, the Grantor was required to execute and deliver a Notice of Grant of Security Interest in Trademarks (the "Trademark Security Agreement") and a supplemental Notice of Grant of Security Interest in Trademarks (the "Supplemental Trademark Security Agreement") to the Administrative Agent for purposes of filing with the United States Patent and Trademark Office (the "USPTO");

WHEREAS, pursuant to the Security Agreement, the Trademark Security Agreement and the Supplemental Trademark Security Agreement, the Grantor granted to the Administrative Agent, for the benefit of the Secured Parties, among other collateral as set forth therein, a continuing security interest in and lien on all of the Grantor's right, title and interest, including goodwill in the Trademark Collateral (as defined below)) as security for certain obligations owed by the Grantor to the Secured Parties;

WHEREAS, the Trademark Security Agreement was recorded by the USPTO on January 25, 2013, at Reel 4949, Frame 0058, and the Supplemental Trademark Security Agreement was recorded by the USPTO on March 3, 2015, at Reel 5470, Frame 0355; and

WHEREAS, the Grantor has requested that the Administrative Agent release its security interest in and lien on the Trademark Collateral.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged:

1. The Administrative Agent, on behalf of the Secured Parties, hereby irrevocably releases, terminates, cancels and forever discharges, without recourse, undertaking, representation or warranty of any kind, all of its security interest in and lien on all Trademarks and trademark applications, including, without limitation, those referred to on Schedule 1 hereto, the goodwill associated with such Trademarks and the right to receive all Proceeds therefrom, in each case arising under the Security Agreement, the Trademark Security Agreement or the Supplemental Trademark Security Agreement (collectively, the "Trademark Collateral"), and

any and all other security interests or liens that the Administrative Agent or its predecessors, successors, assigns and transferees may have in or on the Trademark Collateral.

2. The Administrative Agent hereby authorizes and requests that the USPTO and any successor office or any similar office in any other country note and record the release hereby given and any other filings necessary to evidence the release and termination of the Administrative Agent's rights with respect to the Trademark Collateral.

3. The Administrative Agent agrees to take all further actions, and provide to the Grantor and its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by the Grantor, at the Grantor's sole cost and expense, to more fully and effectively effectuate the purposes of this release.

4. This release shall be governed and construed in accordance with the laws of the state of California.

5. This release shall be binding upon the Administrative Agent's successors, assigns, transferees and other legal representatives, and is made in favor of and for the benefit of the Grantor and its successors and assigns.
