**DECLARATION IN SUPPORT OF CORRECTION OF ERRORS IN COVER SHEET
OF RECORDED DOCUMENT ON REEL 5798 FRAME 0675
U.S. REG. NOS. 4,615,802 and 4,679,661**

Heartland Payment Systems, LLC and its predecessor in interest, Heartland Payment Systems, Inc. (collectively, "Heartland"), seek to correct an error in the cover sheet of the Assignment previously recorded on Reel 5798 Frame 0675 (the "Assignment") on May 23, 2016. In the Assignment previously recorded with the USPTO, Heartland unintentionally misidentified and included U.S. Trademark Registration Nos. 4,615,802 and 4,679,661 (the "Registrations") in the Assignment, although the Registrations were previously assigned by Heartland to Echosat, Inc., and such assignment was recorded on February 4, 2016. Heartland seeks to correct its good-faith error. Pursuant to TMEP §§ 503.03, 503.06(a), and 503.06(c), Heartland submits this Declaration along with (1) a completed new cover sheet containing the corrected information; (2) a copy of the originally recorded Assignment; (3) a copy of the previously recorded, original cover sheet containing the erroneous information; and (4) the required fee for each registration to be corrected and pursuant to 37 C.F.R. §§ 2.6 and 3.41.

Pursuant to TMEP §§ 503.03, 503.06(a), and 503.06(c), Heartland declares as follows:

1. **The Registrations were included in the Assignment in error.** When the recordal of the Assignment at Reel 5798 Frame 0675 was prepared, Heartland, on information and belief, instructed its counsel to prepare and record the cover sheet identifying the properties subject to the conveyance, and Heartland, through its counsel, mistakenly but in good faith prepared and filed a cover sheet including Reg. Nos. 4,615,802 and 4,679,661 for the mark SMARTLINK, among the 92 properties subject to the Assignment.
2. **Echosat, Inc. has been and continues to be the current owner of the Registrations.** As shown in the Assignment recorded at Reel 5724 Frame 0700, the Registrations were previously assigned to Echosat, Inc., pursuant to an assignment document executed on December 31, 2015 and recorded on February 4, 2016. Accordingly, the correct owner of the SMARTLINK marks at U.S. Reg. Nos. 4,615,802 and 4,679,661, should be Echosat, Inc., which has been and continues to be the owner of the Registrations.

Pursuant to 37 C.F.R. §2.20, Heartland submits the following declaration to verify its request for correction of errors in the cover sheet of the recorded Assignment:

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of this document or any registration resulting therefrom, declares that she is properly authorized to execute this document on behalf of the owner, and that all statements made of his/her own knowledge are true, and all statements made on information and belief are believed to be true.
