TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “**Agreement**”) made as of May 1, 2017, by Sign-Zone, LLC, a Minnesota limited liability company (“**Grantor**”), in favor of Madison Capital Funding LLC, in its capacity as Agent for the Lenders (each as defined in the Credit Agreement referenced below) (in such capacity, “**Grantee**”):

W I T N E S S E T H

WHEREAS, Grantor, the financial institutions from time to time party thereto as Lenders and Grantee have entered into that certain Credit Agreement dated as of May 1, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), pursuant to which Grantee and the Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other credit accommodations in favor of, Grantor (collectively, the “**Loans**”).

WHEREAS, pursuant to the terms of that certain Guarantee and Collateral Agreement dated as of May 1, 2017 by and among Grantee, Grantor and the other Grantors (as defined therein) from time to time party thereto (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”), Grantor has granted to Grantee, for its benefit and the benefit of the Lenders, a security interest and lien upon substantially all assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee and Collateral Agreement including registrations and applications therefore), together with the goodwill of the business symbolized by Grantor’s Trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by Grantor under the Credit Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement and Guarantee and Collateral Agreement. Unless otherwise noted herein, all capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Guarantee and Collateral Agreement. In the event of a conflict between a provision of the Guarantee and Collateral Agreement and a provision of this Agreement, the provision of the Guarantee and Collateral Agreement shall control.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Obligations (as defined in the Credit Agreement), Grantor hereby grants to Grantee, for its benefit and the benefit of the Lenders, and hereby reaffirms its prior grant pursuant to the Guarantee and Collateral Agreement of, a continuing security interest in Grantor’s entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the “**Trademark Collateral**”), whether now owned or existing or hereafter created, acquired or arising:

(a) each Trademark listed on Schedule A annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(b) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of each such Trademark, or (ii) injury to the goodwill associated with each such Trademark.

Notwithstanding the foregoing, none of the Trademark Collateral shall include any Excluded Property.

3. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any applications filed in the United States Patent and Trademark Office to register trademarks or service marks on the basis of any Grantor's "intent to use" such trademarks or service marks unless and until the filing of a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted, whereupon such applications shall be automatically subject to the security interest granted herein.

4. Governing Law. This Agreement is made under and governed by the laws of the State of Illinois applicable to contracts made and to be performed entirely within such State, without regard to conflict of laws principles.

5. This Agreement shall terminate and the lien on and security interest in the Trademark Collateral shall be released upon the Payment in Full (as defined in the Credit Agreement) of the Obligations (as defined in the Credit Agreement). Upon the termination of this Agreement, Grantee shall, at Grantor's sole cost and expense, execute all customary documents, make all filings, and take all other actions reasonably requested by Grantor, all in form reasonably satisfactory to Grantee, to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein, all without representation or warranty.

[Signature Page Follows]

IN WITNESS WHEREOF, Grantor has duly executed this Agreement as of the date first written above.
