## PATENT, TRADEMARK AND COPYRIGHT SECURITY AGREEMENT

This Patent, Trademark and Copyright Security Agreement (the "**Agreement**"), dated as of April 28, 2017 is entered into by and among EACH OF THE PERSONS LISTED ON THE SIGNATURE PAGES HERETO AND EACH OF THE OTHER PERSONS WHICH BECOME PLEDGORS HEREUNDER FROM TIME TO TIME (each a "**Pledgor**" and collectively, the "**Pledgors**") and PNC BANK, NATIONAL ASSOCIATION (the "**Lender**").

WHEREAS, pursuant to that certain Credit Agreement (as amended, restated, modified or supplemented from time to time, the "**Credit Agreement**") of even date herewith by and among Bob Evans Restaurants, LLC (the "**Borrower**"), the Guarantors party thereto (the "**Guarantors**"), and PNC Bank, National Association (the "**Lender**"), the Lender has agreed to provide certain loans to the Borrower, and the Pledgors have agreed, among other things, to grant a security interest to the Lender in certain patents, trademarks, copyrights and other property as security for such loans and other obligations as more fully described herein.

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. Defined Terms.

(a) Except as otherwise expressly provided herein: (i) capitalized terms used in this Agreement shall have the respective meanings assigned to them in the Credit Agreement; and (ii) the rules of construction set forth in Section 1.2 [Construction] of the Credit Agreement shall apply to this Agreement, *mutatis mutandis*. Where applicable and except as otherwise expressly provided herein, terms used herein (whether or not capitalized) shall have the respective meanings assigned to them in the Uniform Commercial Code as enacted in the State of New York, as amended from time to time (the "**Code**").

(b) "**Patents, Trademarks and Copyrights**" shall mean and include all of each Pledgor's present and future right, title and interest in and to the following: all trade names, patent applications, patents, trademark applications, trademarks and copyrights, whether now owned or hereafter acquired by each Pledgor, including, without limitation, those listed on Schedule A hereto, including all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, and the goodwill of the business to which any of the patents, trademarks and copyrights relate (in each case, to the extent constituting Collateral (as defined in the Security Agreement)).

(c) "**Secured Obligations**" shall mean all now existing and hereafter arising Obligations of the Pledgors to the Lender, or any provider of any Lender Provided Hedge or any provider of any Other Lender Provided Financial Service Product under the Credit Agreement or any of the other Loan Documents, including all obligations, liabilities, and indebtedness, whether for principal, interest, fees, expenses or otherwise, of each and every of the Pledgors to the Lender, or any provider of any Lender Provided Hedge or any provider of any Other Lender Provided Financial Service Product, now existing or hereafter incurred under the Credit

Agreement or the Notes or the Guaranty Agreement or any of the other Loan Documents as any of the same or any one or more of them may from time to time be amended, restated, modified or supplemented, together with any and all extensions, renewals, refinancings, and refundings thereof in whole or in part (and including obligations, liabilities, and indebtedness arising or accruing after the commencement of any bankruptcy, insolvency, reorganization, or similar proceeding with respect to the Borrower or which would have arisen or accrued but for the commencement of such proceeding, even if the claim for such obligation, liability or indebtedness is not enforceable or allowable in such proceeding, and including all obligations, liabilities and indebtedness arising from any extensions of credit under or in connection with the Loan Documents from time to time, regardless whether any such extensions of credit are in excess of the amount committed under or contemplated by the Loan Documents or are made in circumstances in which any condition to extension of credit is not satisfied); (ii) all reimbursement obligations of each and every Pledgor with respect to any one or more Letters of Credit issued by Lender; and (iii) any sums advanced by the Lender or which may otherwise become due pursuant to the provisions of the Credit Agreement, the Notes, this Agreement, or any other Loan Documents or pursuant to any other document or instrument at any time delivered to the Lender in connection therewith, including commitment, letter of credit, agent or other fees and charges, and indemnification obligations under any such document or instrument, together with all interest payable on any of the foregoing, whether such sums are advanced or otherwise become due before or after the entry of any judgment for foreclosure or any judgment on any Loan Document or with respect to any default under any Obligation. Notwithstanding anything to the contrary contained herein, Secured Obligations shall specifically exclude any and all Excluded Hedge Liabilities.

2. To secure the full payment and performance of all Secured Obligations, each Pledgor hereby grants and conveys a security interest to the Lender, for itself and the benefit of the Lenders and their respective affiliates, in the entire right, title and interest of such Pledgor in and to all of its Patents, Trademarks and Copyrights.

3. Each Pledgor jointly and severally represents and warrants, and covenants that:

(a) [Reserved]

(b) to the best of such Pledgor's knowledge, each of the Patents, Trademarks and Copyrights is valid and enforceable, except as would not reasonably be expected to result in a Material Adverse Change;

(c) except as would not reasonably be expected to result in a Material Adverse Change, such Pledgor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Copyrights, free and clear of any liens, charges and encumbrances, except for Permitted Liens;

(d) such Pledgor has the corporate, limited liability company or partnership power and authority, as applicable, to enter into this Agreement and perform its terms;

(e) except as would not reasonably be expected to result in a Material Adverse Change, no claim has been made to such Pledgor or, to the knowledge of such Pledgor, any other

person that the use of any of the Patents, Trademarks and Copyrights does or may violate the rights of any third party;

(f) except to the extent would not reasonably be expected to result in a Material Adverse Change, no Pledgor shall abandon any Patent, Trademark or Copyright without the consent of the Lender, which shall not be unreasonably withheld; and

(g) such Pledgor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and copyrights (except for those Patents, Trademarks and Copyrights that are hereafter allowed to lapse in accordance with Section (3)(f) hereof), except as would not reasonably be expected to result in a Material Adverse Change

4. If, before Payment In Full of all of the Secured Obligations, any Pledgor shall own any new trademarks or any new copyrightable or patentable inventions, or any patent application or patent for any reissue, division, continuation, renewal, extension, or continuation in part of any Patent, Trademark or Copyright or any improvement on any Patent, Trademark or Copyright, in each case to the extent constituting Collateral (as defined in the Security Agreement), the provisions of this Agreement shall automatically apply thereto and such Pledgor shall give to the Lender prompt notice thereof in writing. Each Pledgor and the Lender agree to modify this Agreement by amending Schedule A to include any future patents, patent applications, trademark applications, trademarks, copyrights or copyright applications, in each case to the extent constituting Collateral (as defined in the Security Agreement), and the provisions of this Agreement shall apply thereto.

5. Lender shall have, in addition to all other rights and remedies given it by this Agreement and those rights and remedies set forth in the Credit Agreement, those allowed by applicable Law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Copyrights may be located and, without limiting the generality of the foregoing, if an Event of Default has occurred and is continuing, Lender may immediately, without demand of performance and without other notice (except as set forth below) or demand whatsoever to Pledgors, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, in a city that the Lender shall designate by notice to the Pledgors, in Pittsburgh, Pennsylvania or elsewhere, the whole or from time to time any part of the Patents, Trademarks and Copyrights, and after deducting from the proceeds of sale or other disposition of the Patents, Trademarks and Copyrights all reasonable out of pocket expenses (including fees and expenses for brokers and attorneys), shall apply the remainder of such proceeds in accordance with Section 9.2.4 [Application of Proceeds] of the Credit Agreement. Any remainder of the proceeds after Payment In Full of the Secured Obligations shall be paid over to Pledgors. Notice of any sale or other disposition of the Patents, Trademarks and Copyrights shall be given to Pledgors at least ten (10) days before the time of any intended public or private sale or other disposition of the Patents, Trademarks and Copyrights is to be made, which each Pledgor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, Lender may, to the extent permissible under applicable Law, purchase the whole or any part of the Patents, Trademarks and Copyrights sold, free from any right of redemption on the part of Pledgor, which right is hereby waived and released. Nothing in this Agreement waives any duty

of the Lender or any right of Pledgor which cannot be waived under Section 9-602 of the UCC or other mandatory provisions of applicable Law which cannot be waived.

6. If any Event of Default shall have occurred and be continuing, each Pledgor hereby authorizes and empowers the Lender to make, constitute and appoint any officer or agent of the Lender, as the Lender may select in its exclusive discretion, as such Pledgor's true and lawful attorney-in-fact, with the power to endorse such Pledgor's name on all applications, documents, papers and instruments necessary for the Lender to use the Patents, Trademarks and Copyrights, or to grant or issue, on commercially reasonable terms, any exclusive or nonexclusive license under the Patents, Trademarks and Copyrights to any third person, or necessary for the Lender to assign, pledge, convey or otherwise transfer title in or dispose, on commercially reasonable terms, of the Patents, Trademarks and Copyrights to any third Person. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable for the life of this Agreement.

7. (a) Upon Payment In Full of all of the Secured Obligations, this Agreement shall terminate and the Lender shall execute and deliver to the Pledgors all deeds, assignments and other instruments as may be necessary or proper to re-vest in the Pledgors full title to the Patents, Trademarks and Copyrights, subject to any disposition thereof which may have been made by the Lender pursuant hereto.

(b) All Collateral sold or otherwise disposed of in a sale or other disposition or transfer permitted under Section 8.2.6 [Dispositions of Assets or Subsidiaries] or Section 8.2.5 [Liquidations, Mergers, Consolidations] of the Credit Agreement with respect to which the Debtors shall have fully complied with all requirements and satisfied all conditions of the Loan Documents shall automatically be released from the security interest created by this Agreement.

8. No course of dealing between any Pledgor and the Lender, nor any failure to exercise nor any delay in exercising, on the part of the Lender, any right, remedy, power or privilege of the Lender hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No waiver of a single Event of Default shall be deemed a waiver of a subsequent Event of Default.

9. All of the Lender's rights and remedies with respect to the Patents, Trademarks and Copyrights, whether established hereby or by the Credit Agreement or by any other agreements or by Law, shall be cumulative and not exclusive of any rights or remedies which it may otherwise have under the other Loan Documents, under the Lender Provided Hedges or any Other Lender Provided Financial Service Products or by Law, and the Lender may enforce any one or more remedies hereunder successively or concurrently at its option.

10. Each Pledgor hereby agrees to be bound by the provisions of Section 5.6 [Taxes] of the Credit Agreement and shall make all payments free and clear of Taxes to the extent required therein.

11. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties, provided, however, that no Pledgor may assign or transfer any of its rights or obligations hereunder or any interest herein, and any such purported assignment or transfer shall be null and void.

12. The terms of Sections 10.1, 10.11.1, 10.11.2, 10.11.3, 10.11.4 and 10.11.5 of the Credit Agreement with respect to amendments, governing law, submission to jurisdiction, venue and waiver of jury trial are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

13. This Agreement may be executed in any number of counterparts, and by different parties hereto in separate counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same instrument. Each Pledgor acknowledges and agrees that a telecopy transmission to the Lender of, or the e-mail delivery of a portable document format (PDF) file to the Lender containing, the signature pages hereof purporting to be signed on behalf of any Pledgor shall constitute effective and binding execution and delivery hereof by such Pledgor.

14. All notices, statements, requests, demands, directions and other communications (collectively, "notices") given to or made upon any party hereto under the provisions of this Agreement shall be given to the applicable party hereto at the address set forth on a Schedule 1.1(B) to, or in a Guarantor Joinder given under, the Credit Agreement and in the manner provided in Section 10.5 [Notices; Effectiveness; Electronic Communication] of the Credit Agreement. The Lender may rely on any notice (whether or not made in the manner contemplated by this Agreement) purportedly made by or on behalf of any Pledgor, and the Lender shall have no duty to verify the identity or authority of the Person giving such notice.

15. At any time after the initial execution and delivery of this Agreement to the Lender, additional Persons may become parties to this Agreement and thereby acquire the duties and rights of being Pledgors hereunder by executing and delivering to the Lender a Guarantor Joinder pursuant to the Credit Agreement and, in addition, a new Schedule A hereto shall be provided to the Lender with respect to such new Pledgor. No notice of the addition of any Pledgor shall be required to be given to any pre-existing Pledgor and each Pledgor hereby consents thereto.
