W I T N E S S E T H:

WHEREAS, the Assignor is party to a Security Agreement, dated as of April 28, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time in accordance with the provisions thereof, the “Security Agreement”), made by RAZOR ACQUISITIONCO, INC., a Delaware corporation, BEI PRECISION SYSTEMS AND SPACE COMPANY, INC., a Delaware corporation, the Assignor and the other Guarantors from time to time party thereto, as pledgors, assignors and debtors, in favor of the Assignee.

WHEREAS, pursuant to the Security Agreement, the Assignor is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Assignee, for the benefit of the Secured Parties to enter into the Credit Agreement, and intending to be legally bound, the Assignor hereby agrees with the Assignee as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms used but not defined herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for payment and performance in full of all the Obligations, the Assignor hereby pledges and grants to the Assignee for the benefit of the Secured Parties a lien on and security interest in all of the right, title and interest of the Assignor in, to and under all the following property, wherever located, and whether now existing or hereafter arising or acquired from time to time (collectively, the “Pledged Trademark Collateral”):

(a) all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locations (URL’s), domain names, corporate names and trade names and all Goodwill, whether registered or unregistered, and all registrations and applications for any of the foregoing (whether statutory or common law and whether established or registered in the United States or any other country or any political subdivision thereof), including those listed on Schedule I attached hereto, together with any and all (i) rights and privileges arising under applicable law with respect to the Assignor’s use thereof, (ii) reissues, continuations, extensions and renewals thereof and amendments thereto, (iii) income, fees, royalties, damages and payments now or hereafter due and/or payable or with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof, (iv) rights corresponding thereto throughout the world and (v) rights to sue for past, present and future infringements, dilutions or other violations thereof; and

(b) all Proceeds and products of each of the foregoing and all accessions to, substitution and replacements for, and rents, profits and products of, each of the foregoing, any and all Proceeds of any

insurance, indemnity, warranty or guaranty payable to the Assignor from time to time with respect to any of the foregoing (other than, in each case, Excluded Property).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Assignee pursuant to the Security Agreement and the Assignor hereby acknowledges and affirms that the rights and remedies of the Assignee with respect to the security interest in the Pledged Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Assignee shall otherwise determine.

SECTION 4. Termination. When the applicable conditions set forth in Section 11.4 to the Security Agreement have been satisfied, this Trademark Security Agreement and the lien and security interest created hereunder shall automatically terminate and the Assignee shall execute, acknowledge, and deliver to the Assignor such instruments in writing in recordable form as may be necessary or advisable to reflect of public record such release and termination of the collateral pledge, grant, assignment, lien and security interest in the Pledged Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which, when so executed and delivered, shall be deemed an original, but all such counterparts together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by telecopier or other electronic transmission (i.e. a "pdf" or "tif" document) shall be effective as delivery of a manually executed counterpart of this Agreement.
