THIS TRADEMARK SECURITY AGREEMENT, dated as of May 1, 2017, is made by Arrowhead Electrical Products, Inc. (the "Grantor"), a Delaware corporation, in favor of Ares Capital Corporation ("Ares"), as administrative agent (in such capacity, together with its successors and permitted assigns, the "Administrative Agent") for the Lenders and the L/C Issuers (as defined in the Credit Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement, dated as of August 31, 2015, by and among AEP Holdings, Inc. (the "Borrower"), Arrowhead Holdco Company ("Holdings"), Ares, as Administrative Agent and Revolver Agent, and the other financial institutions party thereto, as lenders (the "Lenders"), as amended by that certain First Amendment and Waiver of Credit Agreement, dated as of March 31, 2016, by and among the Borrower, Holdings, the Lenders party thereto and Ares, as Administrative Agent, as further amended by that certain Second Amendment to Credit Agreement, dated as of December 14, 2016, by and among the Borrower, Holdings, the Lenders party thereto and Ares, as Administrative Agent, as further amended by that certain Third Amendment to Credit Agreement, dated as of January 5, 2017, by and among the Borrower, Holdings, the Lenders party thereto and Ares, as Administrative Agent (the "Existing Credit Agreement"), and as further amended by that certain Fourth Amendment to Credit Agreement, dated as of May 1, 2017, by and among the Borrower, Holdings, the Lenders party thereto and Ares, as Administrative Agent (the "Fourth Amendment" and, together with the Existing Credit Agreement, as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), the Lenders and the L/C Issuers have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor has agreed, pursuant to that certain Guaranty and Security Agreement, dated as of August 31, 2015 (as amended, restated, supplemented or otherwise modified from time to time, collectively, the "Guaranty and Security Agreement"), to guarantee the Guaranteed Obligations of the Borrower; and

WHEREAS, the Grantor is party to the Guaranty and Security Agreement pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuers and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuers to make their respective extensions of credit to the Borrower thereunder, the Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of the Grantor, hereby

mortgages, pledges and hypothecates to the Administrative Agent for the benefit of the Secured Parties, and grants to the Administrative Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and all IP Licenses providing for the grant by or to the Grantor of any right under any Trademark, including, without limitation, those Trademark registrations and applications referred to on Schedule 1 hereto; provided, however that no Lien on and security interest is granted on any "intent to use" Trademark applications for which a statement of use has not been filed and accepted by the United States Patent and Trademark Office; provided, further, that upon such filing and acceptance by the United States Patent and Trademark Office, such "intent to use" Trademark applications shall be included in the Trademark Collateral and automatically subject to the Lien and security interest granted herein;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing, for the avoidance of doubt, no Trademark Collateral shall include any Excluded Property.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Guaranty and Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict or inconsistency between the Guaranty and Security Agreement and this Trademark Security Agreement, the applicable terms and provisions of the Guaranty and Security Agreement shall control.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one

and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

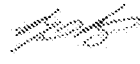

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

Section 7. Release and Termination. At the time provided in subsection 8.10(b)(iii) of the Credit Agreement or upon the occurrence of an event expressly permitted by, or provided for, in the Credit Agreement or the Guaranty and Security Agreement that would result in the release of all or a portion of the Trademark Collateral, all or such applicable portion of the Trademark Collateral shall be automatically released from the Lien created hereby and this agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and the Grantor hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Trademark Collateral shall revert to the Grantor. At the request of the Grantor following any such termination, the Administrative Agent shall execute and deliver to the Grantor such documents as the Grantor reasonably requests to evidence such termination at the sole cost and expense of the Grantor.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
