INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT** (this “**Agreement**”) is made as of May 5, 2017 between **EPIEP, INC.** (the “**Debtor**”), a Delaware corporation, and **CONNECTICUT INNOVATIONS, INCORPORATED**, a Connecticut corporation (“**CI**” as a “**Secured Party**” and as agent (in such capacity, the “**Agent**”).

W I T N E S S E T H

WHEREAS, pursuant to the terms of a certain Note Purchase Agreement of even date herewith among the Debtor, Agent and certain other Purchasers named and defined therein (as amended and in effect, the “**Note Purchase Agreement**”), Agent and each other Purchaser (collectively, the “**Secured Parties**” and each a “**Secured Party**”) have agreed to purchase a Note (as defined by the Note Purchase Agreement) from the Debtor; and

WHEREAS, pursuant to that certain Security Agreement by and among the Debtor, Agent and the other Secured Parties dated as of the date hereof (as amended and in effect from time to time, the “**Security Agreement**”) the Debtor has granted to the Secured Parties a security interest in the Collateral (as defined by the Security Agreement), including without limitation the Domain Names, Trademarks, Patents and Copyrights (each as defined herein) that constitute Collateral, as listed on Schedule A attached hereto, all to secure the payment and performance of the Obligations (as defined in the Security Agreement) under the Note Purchase Agreement and Notes issued thereunder; and

WHEREAS, this Agreement is supplemental to the provisions contained in the Security Agreement.

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. DEFINITIONS. Unless otherwise defined herein, terms which are defined in the Security Agreement and used herein are so used as so defined. The following terms shall have the following meanings:

“**Copyrights**” means (a) all copyrights of the United States or any other country, including, without limitation, any thereof referred on Schedule A attached hereto; and (b) all copyright registrations filed in the United States or in any other country, including, without limitation, any thereof referred on Schedule A attached hereto.

“**Domain Names**” means all domain names and domain name registration applications, that are owned by the Debtor or in which the Debtor has any right, title or interest, now or in the future, including but not limited to all derivatives or variations, whether authorized or unauthorized, including those listed on Schedule A attached hereto.

“**ICANN**” means the Internet Corporation for Assigned Names and Numbers.

“**Patents**” means (a) all letters patent of the United States and all reissues and extensions thereof; and (b) all applications for letters patent of the United States and all divisions, continuations and continuations-in-part thereof or any other country, including, without limitation, any thereof referred on Schedule A attached hereto.

“**Registry**” means, as applicable, (i) any domain name registry with whom the Domain Names are registered, (ii) the U.S. Copyright Office or any comparable office of any foreign jurisdiction with whom Copyrights are registered, or (iii) the U.S. Patent & Trademark Office or any comparable office of any state or foreign jurisdiction with whom Trademarks or Patents are registered.

“**Trademarks**” means (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers and the goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether registered in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof or otherwise, including, without limitation, any thereof referred to on Schedule A attached hereto; (b) all renewals thereof; and (c) all goodwill of the business connected with the use of and symbolized by the Trademarks.

2. SECURITY INTEREST.

2.1. Security Interest. As collateral security for the payment and performance in full of all of the Obligations, the Debtor hereby unconditionally grants to the Agent, for the ratable benefit of all Secured Parties, a continuing security interest in and first priority lien on the Domain Names, Trademarks, Patents and Copyrights that constitute Collateral, and all Proceeds of any of the foregoing. The Debtor hereby authorizes the Agent to take other appropriate steps to transfer effective ownership and control of such Domain Names, Trademarks, Patents and Copyrights, with the respective Registry upon the occurrence and during the continuance of an Event of Default and the exercise of the remedies of the Agent and/or any Secured Party under this Agreement and the Security Agreement.

2.2. Supplemental Security Agreement. Pursuant to the Security Agreement, the Debtor has granted to the Agent and Secured Parties, a continuing security interest in and lien on the Collateral (including certain Domain Names, Trademarks, Patents and Copyrights). The Security Agreement, and all rights and interests of the Agent and Secured Parties in and to the Collateral (including such Domain Names, Trademarks, Patents and Copyrights) thereunder, are hereby ratified and confirmed in all respects, and are hereby incorporated herein by reference thereto. In no event shall this Agreement, the grants hereunder, or the recordation of this Agreement (or any document hereunder) with the respective Registry, adversely affect or impair, in any way or to any extent, the Security Agreement, the security interest of the Agent and/or any Secured Party in the Collateral (including the Domain Names, Trademarks, Patents and Copyrights that constitute Collateral) pursuant to the Security Agreement and this Agreement, the attachment and

perfection of such security interest under the UCC (including the security interest in such Domain Names, Trademarks, Patents and Copyrights), or any present or future rights and interests of the Agent and/or any Secured Party in and to the Collateral under or in connection with the Security Agreement, this Agreement or the UCC. Any and all rights and interests of the Agent and/or any Secured Party in and to the Domain Names, Trademarks, Patents and Copyrights that constitute Collateral (and any and all Obligations of the Debtor with respect to such Domain Names, Trademarks, Patents and Copyrights) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Agent and Secured Parties (and the Obligations of the Debtor) in, to or with respect to the Collateral (including such Domain Names, Trademarks, Patents and Copyrights) provided in or arising under or in connection with the Security Agreement and shall not be in derogation thereof. NEITHER THE AGENT NOR ANY SECURED PARTY ASSUMES ANY LIABILITY ARISING IN ANY WAY BY REASON OF HOLDING SUCH COLLATERAL.

3. AFTER-ACQUIRED DOMAIN NAMES, ETC.

3.1. After-Acquired Domain Names, Copyrights, Trademarks and Patents. If, before the Obligations shall have been finally paid and satisfied in full, the Debtor shall obtain any right, title or interest in or to any other or new Domain Names, Trademarks, Copyrights or Patents that constitute Collateral, or become entitled to the benefit of any such Domain Names, Trademarks, Copyrights or Patents or any variation or improvement on any of such Domain Name Collateral, the provisions of this Agreement and the Security Agreement shall automatically apply thereto and the Debtor shall promptly give to the Agent notice thereof in writing and execute and deliver to the Agent such documents or instruments as the Agent may reasonably request further to implement, preserve or evidence the interests of the Agent and Secured Parties therein.

3.2. Amendment to Schedule. The Debtor authorizes the Agent to modify this Agreement, without the necessity of the Debtor's further approval or signature, by amending **Schedule A** hereto to include any future or other Domain Names, Trademarks, Copyrights or Patents under Section 2 or Section 3 hereof that constitute Collateral and/or to delete Domain Names, Trademarks, Copyrights or Patents terminated by Debtor pursuant to the Security Agreement.

4. NO ASSUMPTION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NEITHER THE AGENT NOR ANY SECURED PARTY ASSUMES ANY LIABILITIES OF THE DEBTOR WITH RESPECT TO ANY CLAIM OR CLAIMS REGARDING THE DEBTOR'S OWNERSHIP OR PURPORTED OWNERSHIP OF, OR RIGHTS OR PURPORTED RIGHTS ARISING FROM, ANY OF THE DOMAIN NAMES, COPYRIGHTS, TRADEMARKS OR PATENTS THAT CONSTITUTE COLLATERAL, OR ANY PRACTICE, USE, LICENSE OR SUBLICENSE THEREOF, WHETHER ARISING OUT OF ANY PAST, CURRENT OR FUTURE EVENT, CIRCUMSTANCE, ACT OR OMISSION OR OTHERWISE. ALL OF SUCH LIABILITIES SHALL BE EXCLUSIVELY BORNE BY THE DEBTOR, AND THE DEBTOR SHALL INDEMNIFY THE AGENT AND EACH SECURED PARTY FOR

ANY AND ALL COSTS, EXPENSES, DAMAGES AND CLAIMS, INCLUDING LEGAL FEES, INCURRED BY THE AGENT AND/OR ANY SECURED PARTY WITH RESPECT TO SUCH LIABILITIES.

5. **RIGHTS AND REMEDIES CUMULATIVE.** The rights and remedies of the Agent and Secured Parties with respect to the Domain Names, Copyrights, Trademarks and Patents that constitute Collateral, whether established hereby, by the Security Agreement or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. This Agreement is supplemental to the Security Agreement, and nothing contained herein shall in any way derogate from any of the rights or remedies of the Agent and/or any Secured Party contained therein. Nothing contained in this Agreement shall be deemed to extend the time of attachment or perfection of or otherwise impair the security interest in any of the Collateral granted to the Agent and/or any Secured Party, under the Security Agreement.

6. **AMENDMENT AND WAIVER.** This Agreement may only be amended, and any provision hereunder may only be waived, as provided in the Security Agreement for amendments and/or waivers thereto.

7. **COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall constitute a complete and original instrument but all of which together shall constitute one and the same agreement (notwithstanding that all of the parties are not signatories to the original or the same counterpart, or that signature pages from different counterparts are combined), and it shall not be necessary when making proof of this Agreement or any counterpart thereof to account for any other counterpart, and the signature of any party to any counterpart shall be deemed to be a signature to and may be appended to any other counterpart. For purposes of this Agreement, a document (or signature page thereto) signed and transmitted by facsimile machine or other electronic means is to be treated as an original document. The signature of any party on any such document, for purposes hereof, is to be considered as an original signature, and the document transmitted is to be considered to have the same binding effect as an original signature on an original document. At the request of any party, any facsimile or other electronic signature is to be re-executed in original form by the party which executed the facsimile or other electronic signature. No party may raise the use of a facsimile machine or other electronic means, or the fact that any signature was transmitted through the use of a facsimile machine or other electronic means, as a defense to the enforcement of this Agreement.
