## INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (this "Assignment") is entered into as of April 25, 2017, by and among EPOD America, LLC, a Delaware limited liability company ("Assignee"), Third Estate LLC, an Indiana limited liability company ("Seller"), and Matte Fields ("Founder" and, together with Seller, "Assignor").

A. Simultaneously with the execution and delivery of this Assignment, Purchaser, Seller and Founders have entered into an Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which Assignee has purchased from Seller the Assets of Seller (the "Transaction"). Capitalized terms used herein and not defined shall have the respective meanings ascribed to them in the Purchase Agreement unless otherwise expressly indicated.

B. Pursuant to the Transaction, Assignee desires that Assignor assign to Assignee all right, title and interest in and to the Transferred Intellectual Property and the Transferred Intellectual Property Rights (collectively, the "Business Intellectual Property"); and

NOW, THEREFORE, in consideration of the Transaction and Purchaser's purchase of the Assets, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor, intending to be legally bound, hereby covenants and agrees as follows:

1. Assignment. Assignor hereby assigns, transfers, conveys and delivers to Assignee, and its successors and assigns, effective as of the date first referred above, all right, title, and interest of Assignor in and to the Business Intellectual Property, including any and all income, royalties, damages, claims, and payments now or hereafter due or payable with respect to the Business Intellectual Property, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the Business Intellectual Property rights (together with the right to sue or otherwise recover and receive all damages, payments, costs and fees associated therewith), including the following:

(a) Trademarks.

(i) all trademarks, trade names, service marks, service names, logos, and brand names related to the Business, including without limitation those listed on Schedule 1(a) attached hereto (collectively, the "Trademarks");

(ii) any and all other rights, privileges and priorities of Assignor provided under United States, state or foreign law with respect to the Trademarks, including common law rights, trade dress rights, rights under the laws of unfair competition and dilution, together with all translations, adaptations, derivations, and combinations thereof and including all goodwill associated therewith, and all applications, registrations, and renewals in connection therewith related to the Business (collectively, the "Trademark Related Rights"); and

(iii) any and all rights in and to obtain registrations, renewals, or other legal protections pertaining to the Trademarks and Trademark Related Rights related to the Business;

(b) Domain Names.

(i) all domain names and web sites related to the Business, including without limitation those listed on Schedule 1(b) attached hereto (collectively, the "Domain Names"); and

(ii) all goodwill symbolized by or associated with the Domain Names, and the right to use the Domain Names in connection with the offering of goods and/or services via the Internet (including the World Wide Web) and in any other media, now known or developed in the future, related to the Business;

(c) Copyrights and Mask Works.

(i) any and all copyrights of Assignor and any registrations and copyright applications relating thereto and any renewals and extensions thereof related to the Business (collectively, the "Copyrights");

(ii) all mask works (such as defined in 17 U.S.C. Section 901) and all applications, registrations and renewals in connection therewith related to the Business (collectively, the "Mask Works");

(iii) any and all rights to all copyrightable works, works based upon, derived from, or incorporating the works covered by the Copyrights and Mask Works related to the Business (collectively referred to as the "Copyright and Mask Work Derivative Rights");

(iv) any and all rights corresponding to the Copyrights, Mask Works and Copyright and Mask Works Derivative Rights throughout the world related to the Business; and

(v) this transfer of rights in Copyrights, Mask Works and Copyright and Mask Works Derivative Rights includes, without limitation, any and all Copyrights, Mask Works or Copyright and Mask Works Derivative Rights in software, integrated circuits, integrated circuit layouts, and in any digital or electronic mediums related to the Business;

(d) Patents and Trade Secrets.

(i) any and all U.S. and foreign patents, patent applications, inventions (whether patentable or unpatentable and whether or not reduced to practice), all improvements thereto and invention disclosures, together with all reissues, continuations, continuations-in-part, divisionals, extensions, and re-examinations thereof related to the Business (collectively, the "Patents"); and

(ii) all trade secrets and confidential business information (including ideas, research and development, know-how, formulas, compositions, manufacturing and production processes and techniques, technical data, designs, drawings, software, specifications, customer and supplier lists, and business and marketing plans and proposals) regardless of whether such trade secrets and confidential information are patentable related to the Business (collectively, the "Trade Secrets");

(e) Software.

(i) any and all internally developed computer software (including data and related documentation, source codes, flow charts, diagrams, descriptive tests and programs, computer print-outs, underlying tapes, computer databases, and similar items) related to the Business (collectively, the "Software"); and

(f) Proprietary Rights.

(i) any and all other proprietary rights including but not limited to publicity rights and all copies and tangible embodiments of the Business Intellectual Property related to the Business.

2. Further Actions. Assignor further agrees, without further consideration, to execute and deliver, or arrange for the delivery of, such further documents and instruments as Assignee may reasonably request, to effectuate and record this Assignment and the assignment of the Business Intellectual Property and any other intellectual property rights purported to be transferred hereunder.

3. Power of Attorney. Assignor hereby irrevocably constitutes and appoints Assignee as the true and lawful agents and attorneys in fact of Assignor, with full power of substitution and resubstitution, in whole or in part, in the name and stead of Assignor but on behalf and for the benefit of Assignee and their successors and assigns, from time to time to execute and deliver, or arrange for the delivery of, such further documents and instruments as Assignee may reasonably request, to effectuate and record this Assignment and the assignment of the Business Intellectual Property and any other intellectual property rights purported to be transferred hereunder. Assignor hereby declares that the foregoing powers are coupled with an interest and are and shall be irrevocable by Assignor.

4. Purchase Agreement. Nothing in this Assignment is intended to modify, amend or alter in any respect the rights and obligations of the parties under the Purchase Agreement, which will remain in full force and effect notwithstanding the execution and delivery of this Assignment. If any provision of this Assignment is construed to conflict with any provision of the Purchase Agreement, the provision of the Purchase Agreement shall control.

5. Miscellaneous.

(a) Captions. The titles and headings herein are for reference purposes only and shall not in any manner limit the construction of this Assignment, which shall be considered as a whole

(b) Governing Law. This Assignment and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the Laws of the State of California, without giving effect to any choice of Law or conflict of Law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of California.

6. Assignability. This Assignment will inure to the benefit of and be binding upon the parties hereto and their respective successors, assigns, estates, heirs and legal representatives.
