RELEASE OF TRADEMARK SECURITY INTEREST

THIS RELEASE is made as of this 4th day of May, 2017, by JPMorgan Chase Bank, N.A., a national banking association ("Lender"), as successor-in-interest to The First National Bank of Chicago and American National Bank and Trust Company of Chicago ("Predecessor Institutions"), in favor of Edward Don & Company, LLC, a Delaware limited liability company ("Debtor").

WHEREAS, Debtor previously granted to Predecessor Institutions and Lender a security interest in the Trademark Collateral (as defined below) pursuant to that certain Trademark Security Agreement dated as of August 31, 1989 (the "Security Documents"), which security interest was recorded with the United States Patent and Trademark Office on September 15, 1989 at Reel 0670, Frame 0385, and which assignment of the entire interest and the goodwill was recorded with the United State Patent and Trademark Office on March 16, 1992 at Reel 0880, Frame 0759.

WHEREAS, Debtor has requested that Lender release its security interest in and lien on all of Debtor's right, title and interest in, to, and under the Trademark Collateral.

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged:

1. Lender hereby unconditionally and expressly releases, terminates, and extinguishes any and all of its right, title and interest in and to any and all liens and security interests it may have in the following (collectively, the "Trademark Collateral"):

(a) all of Debtor's right, title and interest in and to all of its now or in the future owned or existing trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service mark applications (exclusive, for purposes only of this

Agreement, of any Intent to Use Applications as defined below), including each mark, registration, and application listed on Exhibit A attached hereto and made a part hereof (the property in this item (a) being collectively, the "Trademarks");

(b) all renewals of each of the Trademarks;

(c) all income, royalties, damages and payments now and in the future due or payable under or with respect to any and all of the Trademarks, including damages and payments for past or future infringements of any and all of the Trademarks;

(d) all rights to sue for past, present and future infringements of any and all Trademarks;

(e) all rights corresponding to any and all of the Trademarks throughout the world;

(f) all rights of Debtor as licensor or licensee under, and with respect to, trademarks, service marks, trade names, and trademark and registrations and service mark registrations and applications, including the licenses listed on Exhibit A and the Trademark Licenses (as defined in the Security Agreement) (Debtor's rights as licensor or licensee sometimes referred to in this Agreement collectively as "Trademark License Rights"); and

(g) together in each case with the goodwill of Debtor's business connected with the use of, and symbolized by, the foregoing. Notwithstanding anything in this Agreement to the contrary, in no event shall the Trademark Collateral include, and the grant of a security interest shall not extend to any U.S. intent-to-use trademark application ("Intent to Use Applications") for which a statement of use has not been filed with and duly accepted by the United States Patent and Trademark Office (but only until such statement of use is filed).

2. Lender consents and agrees to execute and deliver, at the request and cost of Debtor, such further instruments, documents and release forms as Debtor may reasonably request to more

effectively, release, terminate and extinguish any such liens and security interests upon such Trademark Collateral.

This Release shall be binding upon Lender's legal representatives, assigns and successors.

IN WITNESS WHEREOF, Debtor has duly executed this RELEASE OF TRADEMARK SECURITY INTEREST as of the date first written above.

LENDER:

JPMorgan Chase Bank, N.A.,

By: 
Name: Daryl W. Wooldridge
Its: Executive Director
