RECITALS

WHEREAS, Owner states, represents, and admits that it is the owner of the entire right, title, and interest in and to U.S. Trademark Application Serial No. 87/068,913 for the mark AIR SCOUT. Owner further states, represents and admits that Owner had a bona fide intent to use the mark at the time of filing the application, that Assignee is the successor of that portion of Owner's business to which the mark pertains, that the business exists and is ongoing to which the intent to use the mark pertains, and that Owner has had a continued intent to use this trademark on or in connection with the sale of the following goods or services: Wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems, namely, electrical motors, excluding gaming systems; monitoring devices for monitoring air temperature and amounts of carbon dioxide present in air.

WHEREAS, Owner affirmatively states, represents and admits that it has full right to convey the entire right, title and interest herein assigned, and that it has not executed and will not execute any agreements in conflict herewith; and

NOW, THEREFORE, in consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor, by these presents, has sold, have sold, assigned and transferred, and does hereby sell, assign and transfer unto Assignee the full and exclusive right, title and interest, together with the goodwill symbolized by the Mark, both legal and equitable, for all countries including
