This Release of Security Interest in Trademark Collateral, dated as of March 31, 2017, is made by Silicon Valley Bank (the "Secured Party"), in favor of each Grantor (as defined in the Security Agreement referred to below).

Reference is made to the Intellectual Property Security Agreement dated as of March 28, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), made by the grantors party thereto in favor of the Secured Party.

For good and valuable consideration, receipt of which is hereby acknowledged:

(1) without any representation or warranty as to whether any Grantor owns the trademarks and trademark applications identified on Exhibit C to the Security Agreement, whether a Grantor granted a security interest in favor of the Secured Party or whether the Secured Party is registered as the secured party with the United States Patent and Trademark Office, the Secured Party hereby releases and reassigns to the Grantors any and all liens, security interests, right, title and interest of the Secured Party pursuant to the Security Agreement in the collateral described in the Security Agreement, including the Trademarks (as described in the Security Agreement) and those trademarks and trademark applications identified on Exhibit C to the Security Agreement and all products and proceeds of the foregoing, without recourse or representation or warranty, express or implied of any kind; and

(2) upon the request of any Grantor or any successor in interest or assignee thereof, and at the expense of the Grantors, the Secured Party shall execute any document, cause to be made any filing or take any other action deemed reasonably necessary or advisable by such Grantor, or any successor in interest or assignee thereof, to effectuate the release of interests contemplated herein.
