TRADEMARK ASSIGNMENT

This Assignment (this "Assignment") is made and entered into effective as of August 18, 2016 by and between Isidori Barish Hospitality Group, LLC, a New York limited liability company ("Assignor"), on the one hand, and Isidori Barish Properties, LLC, a Delaware limited liability company ("Assignee"), on the other hand.

WHEREAS, Assignor owns the trademarks set forth on Schedule A and Schedule B attached hereto (the "Marks");

WHEREAS, Assignee wishes to acquire from Assignor all of its right, title and interest in, to and under such Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer, convey, grant, and set over to Assignee for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns and other legal representatives forever as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, Assignor's entire right, title and interest in, to and under the Marks, throughout the world in perpetuity, and any registrations, renewals, reissues and extensions thereof, together with the goodwill associated with the Mark and that part of Assignor's business connected with the use thereof and symbolized thereby, and any and all of Assignor's other rights, privileges and priorities provided under state and federal law of the United States, and under the laws of any and all foreign jurisdictions with respect to the Marks, including without limitation, Assignor's common law rights and rights under the laws of unfair competition, and any and all rights to all income, royalties, damages, and payments now or hereafter due or payable in respect thereto, and in and to all causes of action (either in law or in equity) and the right to sue, counterclaim and recover for past, present, and/or future infringement, damages, or other unauthorized use of the rights currently known to Assignor as of the date hereof or that may become known after the date of this Assignment.

Assignor hereby represents and warrants that Assignor has the full right to convey the interest assigned by this Assignment, and has not conveyed any interest in or right to the Marks to any third party.

Assignor authorizes and requests the U.S. Patent and Trademark Office, or any foreign equivalent thereof, to record Assignee as the owner of the Marks as Assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

Assignor hereby agrees to execute any and all papers, and to perform such other proper acts, as may be reasonably necessary to secure to Assignee, or to its successors or assigns, the rights hereby transferred.

This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, have caused this Assignment to be duly executed below on the dates indicated by their duly authorized officers.
