TRADEMARK ASSIGNMENT AGREEMENT

This **TRADEMARK ASSIGNMENT AGREEMENT** (this “Agreement”) is made as of February 26, 2016 by and between Advanced Public Safety, Inc., a Florida corporation (“Assignor”), and TriTech Software Systems, a California corporation (“Assignee”).

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of the date hereof (as such agreement may have been, or may from time to time be, amended, supplemented or otherwise modified, the “Purchase Agreement”).

WHEREAS, Assignor is the owner of all right, title and interest in, to and under the marks set forth on Schedule A attached hereto (the “Trademarks”), together with the goodwill of the Business connected with and symbolized by the Trademarks and has applied for the marks set forth on Schedule B attached hereto (the “Applications”).

WHEREAS, Assignee is the successor to the portion of the ongoing and existing business of Assignor to which the Trademarks and Applications pertain.

WHEREAS, pursuant to the Purchase Agreement, Assignor desires to assign to Assignee, and Assignee desires to acquire from Assignor, all of Assignor’s right, title and interest in, to and under the Trademarks, together with the goodwill of the Business connected with and symbolized by the Trademarks and the Applications.

NOW, THEREFORE, in consideration of the foregoing and in consideration of the mutual agreements, provisions and covenants contained herein and in the Purchase Agreement, Assignor and Assignee agree as follows:

1. **Undefined Terms**. All capitalized terms used and not defined herein shall have the meanings ascribed to them in the Purchase Agreement.

2. **Assignment**. Assignor hereby assigns, transfers, conveys and delivers to Assignee, its successors and assigns, all of Assignor’s right, title and interest in, to and under the Trademarks and the Applications in the United States and throughout the world, together with the goodwill of the Business connected with and symbolized by the Trademarks, including, without limitation, all registrations and applications therefor, which may include applications filed on the basis of applicant’s bona fide intent to use the subject marks, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, the right to sue for past, present or future infringement and to collect and retain all damages and profits related to the foregoing, and any priority right that may arise from any such Trademarks.

3. **Purchase Agreement**. This Agreement is in accordance with and is subject to all of the representations, warranties, covenants, exclusions and indemnities set forth in the Purchase Agreement. Notwithstanding any other provision of this Agreement to the contrary, nothing contained herein shall in any way supersede, amend, rescind, waive, expand, or in any other way affect the provisions, including the representations, warranties, covenants and agreements or the rights and remedies of any of the parties under the Purchase Agreement. This

Agreement is intended only to effect the transfer of the Trademarks and the Applications pursuant to the Purchase Agreement, and shall be governed entirely in accordance with the terms and conditions of the Purchase Agreement. In the event of any conflict between this Agreement and the Purchase Agreement, the terms of the Purchase Agreement shall control.

4. **Further Assurances.** At and from time to time following the Closing, Assignor and Assignee shall take such actions as are reasonably necessary or appropriate to give effect to the purpose and intent of this Agreement.

5. **Facsimile Signatures; Counterparts.** This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute one and the same agreement. Each counterpart may be delivered by facsimile transmission or electronic transmission in portable document format, or retransmission of the same, which transmission or retransmission shall be deemed to be delivery of an originally executed document.

5. **Governing Law.** This Agreement shall be governed, including as to validity, interpretation and effect, by, and construed in accordance with, the internal Laws of the State of Delaware applicable to agreements made and fully performed within the State of Delaware without giving effect to the principles of conflicts of laws.
