RELEASE OF SECURITY INTEREST IN TRADEMARKS

This **RELEASE OF SECURITY INTEREST IN TRADEMARKS** (this "IP Release"), dated as of May 16, 2017, is made by **CIT BANK, N.A.** (the "Collateral Agent") as collateral agent for the secured parties under the Credit Agreement, in favor of **LIGHTHOUSE DOCUMENT TECHNOLOGIES, INC.** (the "Grantor").

RECITALS:

WHEREAS, pursuant to that certain Intellectual Property Security Agreement, dated as of June 30, 2017, made by the Grantor in favor of the Collateral Agent (as amended, restated, supplemented or otherwise modified prior to the date hereof, the "IP Security Agreement"; capitalized terms used but not defined herein shall have the meaning ascribed to such term in the IP Security Agreement), the Grantor granted to the Collateral Agent a security interest in the trademark registrations and applications set forth on Schedule 1 attached hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extension and renewals thereof (collectively, the "Trademarks"), excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant, attachment or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications, which IP Security Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office on July 5, 2016 at Reel 5847, Frame 0193; and

WHEREAS, the Grantor has satisfied in full all outstanding obligations owed by the Grantor to the Collateral Agent and the other secured parties represented by the Collateral Agent and has requested that the Collateral Agent terminate the IP Security Agreement and release its security interest in the Trademarks.

RELEASE:

NOW, THEREFORE, in consideration of the foregoing premises, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent hereby (1) releases all right, title and interest of the Collateral Agent in, to and under the IP Security Agreement and the following (collectively, the "Trademark Collateral")

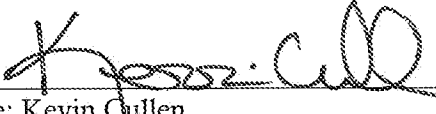

- (a) the Trademarks;
- (b) all rights of any kind whatsoever of such Grantor accruing under any of the Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
- (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
- (d) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuses, breach or default with the right but no obligation to sue for such legal and equitable relief and to collect or otherwise recover any such damages;

+, (2) terminates in full the IP Security Agreement; and (3) authorizes the Commissioner for Trademarks and any other government officials to record and register this IP Release upon the request of the Grantor.

Collateral Agent hereby grants and conveys to Grantor, without any representation, recourse or undertaking by Collateral Agent, any all of Collateral Agent's right, title and interest in and to the Trademarks and the Trademark Collateral.

IN WITNESS WHEREOF, the Collateral Agent has caused this IP Release to be duly executed and delivered by its duly authorized officer as of the date first above written.
