NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of Administrative Agent, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement have the meanings provided or provided by reference in the Credit Agreement.

2. Grant of Security Interest. (a) This Agreement is made to secure the performance and payment of all of the Obligations. Upon the payment in full of all Obligations (other than contingent indemnification obligations which have not been asserted), Administrative Agent shall promptly, upon such satisfaction, execute, acknowledge, and deliver to Grantor all reasonably requested instruments in writing releasing the security interest in the all of its intellectual property including the Trademarks acquired under this confirmatory grant.

(b) The Grantor hereby pledges and grants to Administrative Agent, on behalf of and for the benefit of the Secured Parties, a lien in and security interest in all of the Grantor's right, title and interest, whether now owned or hereafter acquired, in and to (i) its trademarks (including service marks), trade names, trade dress and the registrations and applications for registration thereof, including the foregoing listed on Schedule A, (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law) and the goodwill of the business symbolized by the foregoing; (ii) all renewals of the foregoing; (iii) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and

future infringements thereof; (iv) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (v) all rights corresponding to any of the foregoing throughout the world (the "Trademarks").

The security interest granted hereby has been granted to Administrative Agent in connection with the Credit Agreement and is expressly subject to the terms and conditions thereof. The Credit Agreement (and all rights and remedies of Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of Administrative Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Credit Agreement, the terms of the Credit Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together constitute one and the same original.
