Subject to Permitted Liens and except for the filing or recording of UCC termination statements, certain Puerto Rico and United States Patent and Trademark Office documents, and UCC financing statements, or obtaining Control to perfect the Liens created by this Security Agreement that may be perfected through the filing of a UCC financing statement or obtaining Control, no consent or authorization of, filing with, or other act by or in respect of, any arbitrator or governmental authority and no consent of any other Person (including, without limitation, any stockholder or creditor of Pledgors), is required (except as such have been duly obtained, made or given and are in full force and effect) (i) for the grant by Pledgors of the security interest in the Collateral granted hereby or for the execution, delivery or performance of

this Security Agreement by Pledgors, or (ii) for the perfection of such security interest or the exercise by Lender of the rights and remedies provided for in this Security Agreement.

(d) Accounts. With respect to each Pledgor's Accounts: (i) the goods sold, rented or leased, licensed, or assigned and/or services furnished giving rise to each Account are not subject to any security interest or Lien except the first priority, perfected security interest granted to Lender herein and except for Permitted Liens; (ii) each Account and the papers and documents of such Pledgor relating thereto are genuine and in all material respects what they purport to be; (iii) each Account arises out of a bona fide transaction for goods sold and delivered (or in the process of being delivered), leased, licensed, or assigned by a Pledgor or for services actually rendered by such Pledgor, which transaction was conducted in the ordinary course of Pledgor's business and was completed in all material respects in accordance with the terms of any documents pertaining thereto; (iv) no Account is evidenced by any Instrument unless such Instrument has been endorsed over and delivered to, or submitted to the control of, Lender; (v) the amount of each Account as shown on each Pledgor's books and records, and on all invoices and statements which may be delivered to Lender with respect thereto, is due and payable to such Pledgor; (vi) to each Pledgor's knowledge, the account debtor with respect to each Account has the capacity to contract; (vii) to each Pledgor's knowledge, there are no proceedings or actions that are threatened or pending against any account debtor whose business is material to such Pledgor that are reasonably likely to have a Material Adverse Effect, and (viii) no surety bond was required or given in connection with any Account or the contracts or purchase orders out of which they arose.

(e) Documents and Instruments. All Documents and Instruments are, to each Pledgor's knowledge, complete, valid, and genuine.

4. Covenants. Each Pledgor covenants that, until all of the Secured Obligations have been paid in full, each Pledgor shall:

(a) Other Liens. Use commercially reasonable efforts to defend the Collateral against the claims and demands of all other parties claiming an interest therein, and keep the Collateral free from all Liens, except for Permitted Liens. No Pledgor shall sell, exchange, transfer, assign, lease or otherwise dispose of any of the Collateral or any interest therein, except as permitted under the Credit Agreement, this Security Agreement or the other Loan Documents, except for disposition or transfer in the ordinary course of business of obsolete and worn-out Inventory and Equipment.

(b) Preservation of Collateral. Use commercially reasonable efforts to keep the Collateral in good order, condition and repair in all material respects; not use the Collateral in any material respect in violation of the provisions of this Security Agreement; not use the Collateral in any material respect in violation of any other agreement relating to the Collateral or any policy insuring the Collateral or any applicable statute, law, bylaw, rule, regulation or ordinance; and not permit any Collateral to be or become a fixture to real property or an accession to other personal property unless the Lender has a valid, perfected and first priority security interest for the benefit of the Lender in such real or personal property.

(c) Possession or Control of Certain Collateral. If (i) any amount payable to Pledgors under or in connection with any of the Collateral shall be or become evidenced by any Instrument or Supporting Obligation, or (ii) if any Collateral shall be stored, transferred, or shipped subject to a Document, Pledgors shall immediately notify Lender of the existence of such Collateral and, at the request of Lender, deliver such Instrument, Supporting Obligation, or

Document to Lender, duly endorsed in a manner satisfactory to Lender, to be held as Collateral pursuant to this Security Agreement. If any Collateral shall consist of Deposit Accounts, Pledgors shall execute and deliver to Lender, upon Lender's request, all control agreements, assignments, instruments or other documents as reasonably requested by Lender for the purposes of obtaining and maintaining Control of such Collateral.

(d) Changes in Corporate Structure or Location. Not, without providing prior written notice to Lender and without filing (or confirming that Lender has filed) such amendments to any previously filed financing statements as Lender may require, (i) alter its corporate existence or, in one transaction or a series of transactions, merge into or consolidate with any other entity, or sell all or substantially all of its assets, (ii) change its state of incorporation or formation, (iii) change its registered corporate name, (iv) change the location of its chief executive office and chief place of business (as well as its books and records) from the locations set forth on Exhibit B hereto.

(e) Inspection. Allow Lender or its representatives to visit and inspect the Collateral as set forth in the Credit Agreement.

(f) Perfection of Security Interest. Each Pledgor hereby authorizes Lender to prepare and file such financing statements, United States Patent and Trademark Office filings, Puerto Rico trademark office filings, and notices (including renewal statements and in lieu statements) or amendments thereof or supplements thereto or other instruments as Lender may from time to time deem necessary or appropriate to perfect and maintain the security interests granted hereunder in accordance with the UCC and other applicable law, subject to Permitted Liens, to ensure the first priority of such security interests. Any financing statement filed by Lender may contain a general description of the Collateral covered thereby, as permitted by the UCC, which states that the security interest attaches to all personal property or to all assets of the debtor. Each Pledgor shall from time to time upon request by Lender also execute and deliver to Lender such agreements, assignments or instruments (including affidavits, notices, reaffirmations and amendments and restatements of existing documents, as Lender may reasonably request) and do all such other things as Lender may reasonably deem necessary or appropriate (i) to assure Lender that its security interests hereunder are perfected and, subject to Permitted Liens, of the first priority, including, without limitation, such financing statements (including renewal statements and in lieu statements) or amendments thereof or supplements thereto or other instruments as Lender may from time to time reasonably request in order to perfect and maintain the security interests granted hereunder and to ensure the first priority (subject to Permitted Liens) thereof in accordance with the UCC, (ii) to consummate the transactions contemplated hereby, and (iii) to otherwise protect and assure Lender of its rights and interests hereunder. In the event for any reason the law of any jurisdiction other than California becomes or is applicable to the Collateral or any part thereof, or to any of the Secured Obligations, Pledgors agree from time to time upon request of Lender to execute and deliver all such instruments and to do all such other things as Lender in its reasonable discretion deems reasonably necessary or appropriate to preserve, protect and enforce the security interests of Lender and the first priority thereof (subject to Permitted Liens) under the law of such other jurisdiction (and, if Pledgors shall fail to do so promptly upon the request of Lender, then Lender may execute any and all such requested documents on behalf of Pledgors pursuant to the power of attorney granted hereinbelow). Each Pledgor agrees to mark its books and records to reflect the security interest of Lender in the Collateral.

(g) Treatment of Accounts. (i) Comply with all provisions of the Credit Agreement relating to the establishment and maintenance of the Deposit Accounts, (ii) comply in all material

respects with all reporting requirements set forth in the Credit Agreement with respect to Accounts, (iii) not grant or extend the time for payment of any Account, or compromise or settle any Account for less than the full amount thereof, or release any person or property, in whole or in part, from payment thereof, or allow any credit or discount thereon, in each case other than as normal and customary in the ordinary course of each Pledgor's business, (iv) maintain at its principal place of business a record of Accounts consistent with its customary business practices, or (v) upon the occurrence and during the continuation of any Event of Default, set aside and hold as trustee for Lender any merchandise that is returned by a customer or account debtor or otherwise recovered. Unless and until an Event of Default occurs and is continuing, each Pledgor may settle and adjust disputes and claims with its customers and account debtors, handle returns and recoveries and grant discounts, credits and allowances in the ordinary course of its business as presently conducted and otherwise for amounts and on terms which such Pledgor in good faith considers advisable. However, upon the occurrence of any Event of Default, if so instructed by Lender, each Pledgor shall settle and adjust disputes and claims, at no expense to Lender, but no discount, credit or allowance other than on normal trade terms in the ordinary course of business shall be granted to any customer or account debtor and no returns of merchandise shall be accepted by such Pledgor without Lender's consent. Lender may (but shall not be required to), at all times upon the occurrence of any Event of Default and during the continuation thereof, settle or adjust disputes and claims directly with customers or account debtors for amounts and upon terms which Lender considers advisable.

(h) Bank Accounts. At all times, maintain its primary depository, operating and cash management accounts, and any replacement or successor accounts relating thereto with Lender. All amounts on deposit in any such Deposit Account and any replacement or successor account relating thereto shall be subject to the Lien of Lender hereunder. Upon the request of Lender, each Pledgor shall obtain control agreements in a form acceptable to Lender, to establish Control for Lender over Deposit Accounts held or placed with any third person.

(i) Insurance. Insure, repair and replace the Collateral of Pledgors as set forth in the Credit Agreement. All Insurance proceeds shall be subject to the security interest of Lender hereunder.

(j) Books and Records. At all times, comply with applicable law regarding the maintenances of business records and electronic data. Upon receipt of a notice of an Event of Default by Lender, Pledgors shall immediately cease the destruction of any and all paper and electronic documents and records and all preserve any new paper or electronic information that is generated after the notice of an Event of Default ("Document Hold and Preservation"). Each Pledgor's obligation with respect to Document Hold and Preservation shall extend to all forms of electronic communications, including, but not limited to, email, word processing documents, spreadsheets, text messages, voice messages, Internet usage files, and information stored in any electronic form and on any format. Each Pledgor's obligation for compliance with the Document Hold and Preservation shall continue until notice from the Lender to Pledgors.

5. Special Provisions Relating to Accounts. Anything herein to the contrary notwithstanding, nothing contained herein shall relieve Pledgors from any obligation under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by them thereunder, all in accordance with the terms of any agreement giving rise to each such Account. Lender shall have no obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Security Agreement or the receipt by Lender of any payment relating to such Account pursuant hereto, nor shall Lender be obligated in any manner to perform any of the obligations of Pledgors under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to

the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6. Performance of Obligations; Advances by Lender. Upon the occurrence and during the continuance of an Event of Default and upon the failure of Pledgors to perform any of the covenants and agreements contained herein, Lender may, in its reasonable discretion, perform or cause to be performed the same and in so doing may (but shall have no obligation to do so) expend such sums as Lender may reasonably deem advisable in the performance thereof, including, without limitation, the payment of any Insurance premiums, the payment of any taxes, a payment to obtain a release of a Lien or potential Lien (other than a Permitted Lien), expenditures made in defending against any adverse claim (other than a Permitted Lien) and all other expenditures which Lender may make for the protection of the security interest hereof or may be compelled to make by operation of law. All such sums and amounts so expended shall be repayable by Borrowers as provided in the Credit Agreement, shall constitute additional Secured Obligations and shall bear interest from the date said amounts are expended at the Default Rate as set forth in the Credit Agreement. No such performance of any covenant or agreement by Lender on behalf of Pledgors, and no such advance or expenditure therefor, shall relieve Pledgors of any default under the terms of this Security Agreement, the other Loan Documents or any Hedging Arrangement. Lender may make any payment hereby authorized in accordance with any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax lien, title or claim except to the extent such payment is being contested in good faith by Pledgors in appropriate proceedings and against which adequate reserves are being maintained in accordance with GAAP.

7. Events of Default. An "Event of Default" as defined in the Credit Agreement which is not timely cured shall be an Event of Default hereunder (an "**Event of Default**").

8. Remedies.

(a) General Remedies. Upon the occurrence of an Event of Default and during continuation thereof, Lender shall have, in addition to the rights and remedies provided herein, in the Loan Documents, or by law (including, but not limited to, levy of attachment, garnishment and the rights and remedies set forth in the Uniform Commercial Code of the jurisdiction applicable to the affected Collateral), the rights and remedies of a secured party under the UCC (regardless of whether the UCC is the law of the jurisdiction where the rights and remedies are asserted and regardless of whether the UCC applies to the affected Collateral), and further, Lender may, with or without judicial process or the aid and assistance of others, (i) enter on any premises on which any of the Collateral may be located and, without resistance or interference by any Pledgor, take possession of the Collateral, (ii) dispose of any Collateral on any such premises, (iii) require Pledgors to assemble and make available to Lender at the expense of Pledgors any Collateral at any place and time designated by Lender which is reasonably convenient to both parties, (iv) remove any Collateral from any such premises for the purpose of effecting sale or other disposition thereof, (v) at any place and time or times, sell and deliver any or all Collateral held by or for it at public or private sale, by one or more contracts, in one or more parcels, for cash, upon credit or otherwise, at such prices and upon such terms as Lender deems advisable, in its sole discretion, (vi) seek the appointment of a receiver or keeper to take possession of any Collateral and to enforce any of the Lender's remedies, with respect to such appointment without prior notice or hearing as to such appointment, and/or (vii) without notice to Pledgors except as

may be required by law and at any time or from time to time, charge, set off and otherwise apply all or part of the Secured Obligations against any funds deposited with Lender or held by Lender. Each Pledgor agrees that it shall not assert that any action taken by Lender in compliance with any applicable state or federal law in the conduct of such sale, nor in disclaiming any warranties relating to the Collateral, made such sale not commercially reasonable. In addition to all other sums due Lender with respect to the Secured Obligations, Pledgors shall pay Lender all reasonable costs and expenses incurred by Lender, including, but not limited to, reasonable attorneys' fees, costs and expenses, expert witness fees, investigation costs and expenses, court costs, and receivership fees and costs, and disbursements, in obtaining or liquidating the Collateral, in enforcing payment of the Secured Obligations, or in the prosecution or defense of any action or proceeding by or against Lender or Pledgors concerning any matter arising out of or connected with this Security Agreement, any Collateral or the Secured Obligations, including, without limitation, any of the foregoing arising in, arising under or related to a case under any bankruptcy, insolvency or similar law. To the extent the rights of notice cannot be legally waived hereunder, each Pledgor agrees that any requirement of reasonable notice shall be met if such notice is personally served on or mailed, postage prepaid, to Pledgors in accordance with the notice provisions of the Credit Agreement at least ten (10) days before the time of sale or other event giving rise to the requirement of such notice. Lender shall not be obligated to make any sale or other disposition of the Collateral regardless of notice having been given. To the extent permitted by applicable law, Lender may be a purchaser at any such sale. To the extent permitted by applicable law, each Pledgor hereby waives all of its rights of redemption with respect to any such sale. Subject to the provisions of applicable law, Lender may postpone or cause the postponement of the sale of all or any portion of the Collateral by announcement at the time and place of such sale, and such sale may, without further notice, to the extent permitted by applicable law, be made at the time and place to which the sale was postponed, or Lender may further postpone such sale by announcement made at such time and place.

(b) Remedies Relating to Accounts. Upon the occurrence of an Event of Default and during the continuation thereof, whether or not Lender has exercised any or all of its rights and remedies hereunder, Lender shall have the right to (i) enforce each Pledgor's rights against any account debtors on such Pledgor's Accounts (ii) notify (or cause its designee to notify) each Pledgor's customers and account debtors that the Accounts of such Pledgor have been assigned to Lender or of Lender's security interest therein, (iii) (either in its own name or in the name of a Pledgor or both) demand, collect, receive, take receipt for, sell, sue for, compound, settle, compromise and give acquittance for any and all amounts due or to become due on any Account, and (iv) in Lender's discretion, file any claim or take any other action or proceeding to protect and realize upon the security interest of Lender in the Accounts. Each Pledgor acknowledges and agrees that, after the occurrence and during the continuance of any Event of Default, the Proceeds of its Accounts remitted to or on behalf of Lender in accordance with the provisions hereof shall be solely for Lender's own convenience and that Pledgors shall not have any right, title or interest in such Proceeds or in any such other amounts except as expressly provided herein. Lender shall have no liability or responsibility to Pledgors for acceptance of a check, draft or other order for payment of money bearing the legend "payment in full" or words of similar import or any other restrictive legend or endorsement or be responsible for determining the correctness of any remittance. Each Pledgor hereby agrees to indemnify Lender from and against all liabilities, damages, losses, actions, claims, judgments, costs, expenses, charges and reasonable attorneys' fees, costs and expenses, expert witness fees, investigation costs and expenses, court costs, and receivership fees and costs, and disbursements suffered or incurred by Lender (each, an "**Indemnified Party**") because of the maintenance of the foregoing arrangements except as relating to or arising out of the gross negligence, bad faith or willful misconduct of an Indemnified Party or its officers, employees or agents. In the case of any investigation, litigation

or other proceeding, the foregoing indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Pledgor, its directors, shareholders or creditors or an Indemnified Party or any other Person or any other Indemnified Party is otherwise a party thereto. The Lender shall have no liability or responsibility to Pledgors accepting any check, draft or other order for payment of money bearing the legend "payment in full" or words of similar import or any other restrictive legend or endorsement whatsoever or be responsible for determining the correctness of any remittance.

(c) Access. In addition to the rights and remedies hereunder, upon the occurrence of an Event of Default and during the continuation thereof and subject to Permitted Liens and applicable law, (i) Lender shall have the right to enter and remain upon the various premises of Pledgors without cost or charge to Lender, and use the same, together with materials, supplies, books and records of Pledgor for the purpose of collecting and liquidating the Collateral, or for preparing for sale and conducting the sale of the Collateral, whether by foreclosure, auction or otherwise, (ii) Lender may remove Collateral, or any part thereof, from such premises and/or any records with respect thereto, in order to effectively collect or liquidate such Collateral, and (iii) if Lender exercises its right to take possession of the Collateral, each Pledgor shall also at its expense perform any and all other steps reasonably requested by Lender to preserve and protect the security interest hereby granted in the Collateral, such as placing and maintaining signs indicating the security interest of Lender, appointing overseers for the Collateral.

(d) Nonexclusive Nature of Remedies. Failure by Lender to exercise any right, remedy or option under this Security Agreement, any other Loan Document, any Hedging Arrangement or as provided by law, or any delay by Lender in exercising the same, shall not operate as a waiver of any such right, remedy or option. No waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated, which in the case of Lender shall only be granted as provided herein. To the extent permitted by law, neither Lender nor any party acting as attorney for Lender, shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence, bad faith or willful misconduct hereunder. The rights and remedies of Lender under this Security Agreement shall be cumulative and not exclusive of any other right or remedy which Lender may have.

(e) Retention of Collateral. Subject to Permitted Liens, Lender may, after providing the notices required by the UCC or otherwise complying with the requirements of applicable law of the relevant jurisdiction, accept or retain the Collateral in full or partial satisfaction of the Secured Obligations. Unless and until Lender shall have provided such notices, however, Lender shall not be deemed to have retained any Collateral in satisfaction of any Secured Obligations for any reason.

(f) Deficiency. In the event that the Proceeds of any sale, collection or realization are insufficient to pay all amounts to which Lender is legally entitled, Borrowers shall be liable for the deficiency, together with interest thereon at the Default Rate as set forth in the Credit Agreement, together with the costs of collection and the reasonable attorneys' fees, costs and expenses, expert witness fees, investigation costs and expenses, court costs, and receivership fees and costs, and disbursements, and costs of any attorney employed by Lender to collect such deficiency. Any surplus remaining after the full payment and satisfaction of the Secured Obligations shall be returned to Borrowers or to whomsoever a court of competent jurisdiction shall determine to be entitled thereto.

(g) Other Security. To the extent that any of the Secured Obligations are now or hereafter secured by property other than the Collateral (including, without limitation, real and personal property owned by Pledgor), or by a guarantee, endorsement or property of any other Person, then Lender shall have the right to proceed against such other property, guarantee or endorsement upon the occurrence and continuance of any Event of Default, and Lender has the right, in its sole discretion, to determine which rights, security, liens, security interests or remedies Lender shall at any time pursue, relinquish, subordinate, modify or take with respect thereto, without in any way modifying or affecting any of them or any of Lender's rights or the Secured Obligations under this Security Agreement, under any other of the Loan Documents or under any Hedging Arrangement (to the extent the obligations of Pledgors thereunder constitute Secured Obligations).

9. Rights of Lender.

(a) Power of Attorney. Each Pledgor hereby designates and appoints Lender, on behalf of Lender, and each of its designees or agents, as attorney-in-fact of such Pledgor, irrevocably and with power of substitution, with authority to take any or all of the following actions upon the occurrence and during the continuation of an Event of Default:

(i) to demand, collect, settle, compromise, adjust, and give discharges and releases, all as Lender may reasonably determine;

(ii) to commence and prosecute any actions at any court for the purposes of collecting any Collateral and enforcing any other right in respect thereof;

(iii) to defend, settle, adjust or compromise any action, suit or proceeding brought and, in connection therewith, give such discharge or release as Lender may deem reasonably appropriate;

(iv) to receive, open and dispose of mail addressed to any Pledgor and endorse checks, notes, drafts, acceptances, money orders, bills of lading, warehouse receipts or other instruments or documents evidencing payment, shipment or storage of the goods giving rise to the Collateral, or securing or relating to such Collateral, on behalf of and in the name of such Pledgor;

(v) subject to Permitted Liens, to sell, assign, transfer, make any agreement in respect of, or otherwise deal with or exercise rights in respect of, any Collateral or the goods or services which have given rise thereto, as fully and completely as though Lender was the absolute owner thereof for all purposes;

(vi) to adjust and settle claims under any Insurance policy relating thereto;

(vii) to execute and deliver all assignments, conveyances, statements, financing statements, renewal financing statements, United States Patent and Trademark filings, Puerto Rico trademark filings, security agreements, affidavits, notices and other agreements, instruments and documents that Lender may determine necessary in order to perfect and maintain the security interests and liens granted in this Security Agreement and in order to fully consummate all of the transactions contemplated herein;

(viii) to institute any foreclosure proceedings that Lender may deem appropriate; and

(ix) to do and perform all such other acts and things as Lender may reasonably deem to be necessary, proper or convenient in connection with the Collateral.

This power of attorney is a power coupled with an interest and shall be irrevocable until all of the Secured Obligations have been paid in full. Lender shall be under no duty to exercise or withhold the exercise of any of the rights, powers, privileges and options expressly or implicitly granted to Lender in this Security Agreement, and shall not be liable for any failure to do so or any delay in doing so. Lender shall not be liable for any act or omission or for any error of judgment or any mistake of fact or law in its individual capacity or its capacity as attorney-in-fact except acts or omissions resulting from its gross negligence, bad faith or willful misconduct. This power of attorney is conferred on Lender solely to protect, preserve and realize upon its security interest in the Collateral.

(b) Assignment by Lender. Subject to the terms of the Credit Agreement, Lender may from time to time assign the Secured Obligations and any portion thereof and/or the Collateral and any portion thereof, and the assignee shall be entitled to all of the rights and remedies of Lender under this Security Agreement in relation thereto.

(c) Lender's Duty of Care. Other than the exercise of reasonable care to assure the safe custody of the Collateral while being held by Lender hereunder, Lender shall have no duty or liability to preserve rights pertaining thereto, it being understood and agreed that Pledgors shall be responsible for preservation of all rights in the Collateral, and Lender shall be relieved of all responsibility for the Collateral upon surrendering it or tendering the surrender of it to Pledgors. Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which Lender accords its own property, which shall be no less than the treatment employed by a reasonable and prudent agent in the industry, it being understood that Lender shall not have responsibility for taking any necessary steps to preserve rights against any parties with respect to any of the Collateral. In the event of a public or private sale of Collateral pursuant to Section 8 hereof, Lender shall have no obligation to clean up, repair or otherwise prepare the Collateral for sale.

10. Application of Proceeds. Upon the occurrence and during the continuation of an Event of Default, any payments in respect of the Secured Obligations and any Proceeds of the Collateral, when received by Lender in cash or its equivalent, will be applied in reduction of the Secured Obligations in the order set forth in the Credit Agreement, and Pledgors irrevocably waive the right to direct the application of such payments and Proceeds and acknowledge and agree that Lender shall have the continuing and exclusive right to apply and reapply any and all such payments and Proceeds in Lender's sole discretion, notwithstanding any entry to the contrary upon any of its books and records.

11. Costs of Counsel. If at any time hereafter, whether upon the occurrence of an Event of Default or not, Lender employs counsel to prepare or consider amendments, waivers or consents with respect to this Security Agreement, or to take action or make a response in or with respect to any legal or arbitral proceeding relating to this Security Agreement or relating to the Collateral, or to protect the Collateral or exercise any rights or remedies under this Security Agreement or with respect to the Collateral, then Pledgors agree to promptly pay in accordance

with the Credit Agreement any and all such reasonable attorneys' fees, costs and expenses, expert witness fees, investigation costs and expenses, court costs, and receivership fees and costs, and disbursements of Lender, all of which shall constitute Secured Obligations hereunder.

12. Continuing Agreement.

(a) This Security Agreement shall be a continuing agreement in every respect and shall remain in full force and effect until all of the Secured Obligations have been paid in full. Upon the repayment of all Secured Obligations, this Security Agreement shall be automatically terminated and Lender shall, upon the request and at the expense of Pledgors, forthwith release all of its liens and security interests hereunder and shall execute, if necessary, and deliver all UCC termination statements and/or other documents reasonably requested by Pledgors evidencing such termination. Notwithstanding the foregoing all releases and indemnities provided hereunder shall survive termination of this Security Agreement.

(b) This Security Agreement shall continue to be effective or be automatically reinstated, as the case may be, if at any time payment, in whole or in part, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by Lender as a preference, fraudulent conveyance or otherwise under any bankruptcy, insolvency or similar law, all as though such payment had not been made; provided that in the event payment of all or any part of the Secured Obligations is rescinded or must be restored or returned, all reasonable costs and expenses (including without limitation any reasonable legal fees and disbursements) incurred by Lender in defending and enforcing such reinstatement shall be deemed to be included as a part of the Secured Obligations.

13. Amendments; Waivers; Modifications. This Security Agreement and the provisions hereof may not be amended, waived, modified, changed, discharged or terminated except as set forth in the Credit Agreement.

14. Successors in Interest. This Security Agreement shall create a continuing security interest in the Collateral and shall be binding upon each of the parties hereto, and their respective successors and assigns, and shall inure, together with all rights and remedies of each of the parties hereto and their respective permitted successors and assigns; provided, however, that no Pledgor may assign its rights or delegate its duties hereunder without the prior written consent of Lender, as required by the Credit Agreement.

15. Notices. All notices required or permitted to be given under this Security Agreement shall be in conformance with the notice provisions of the Credit Agreement.

16. Counterparts. This Security Agreement may be executed in any number of counterparts, each of which where so executed and delivered shall be an original, but all of which shall constitute one and the same instrument. It shall not be necessary in making proof of this Security Agreement to produce or account for more than one of each such counterpart.

17. Headings. The headings of the sections and subsections hereof are provided for convenience only and shall not in any way affect the meaning, construction or interpretation of any provision of this Security Agreement.

18. Choice of Law and Venue. This Security Agreement, and the rights and duties of the parties hereto, shall be construed and determined in accordance with the internal laws of the State of California. The parties hereby submit to the nonexclusive jurisdiction of any Federal or

state court sitting in California, for purposes of all legal proceedings arising out of or relating to this Security Agreement, the other Loan Documents or the transactions contemplated hereby or thereby. Pledgors and Lender irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum.

19. Waiver of Jury Trial. Pledgors and Lender hereby irrevocably waive any and all right to trial by jury in any legal proceeding arising out of or relating to this Security Agreement, the other Loan Documents or the transactions contemplated hereby or thereby.

20. Severability. Any provision of this Security Agreement which is unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. All rights, remedies and powers provided in this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable mandatory provisions of law, and all the provisions of this Security Agreement are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Security Agreement invalid or unenforceable.

21. Entirety. This Security Agreement and the other Loan Documents, represent the entire agreement of the parties hereto and thereto, and supersede all prior agreements and understandings, oral or written, if any, including any commitment letters or correspondence relating to the Loan Documents, the Hedging Arrangement, or the transactions contemplated herein and therein.

22. Survival. All representations and warranties of Pledgors hereunder shall survive the execution and delivery of this Security Agreement and the other Loan Documents, the delivery of the Notes and the making of the Loans under the Credit Agreement.

23. Marshalling. Lender shall be under no obligation to marshal any assets in favor of Pledgors or any other Person or against or in payment of any or all of the Secured Obligations.
