This Intellectual Property Assignment Agreement (the "**Agreement**") is made as of April 6, 2017 (the "**Effective Date**") by GSC Technologies Inc., a corporation amalgamated under the laws of the province of Québec ("**Assignor**") and 9358-1163 Québec Inc., a corporation incorporated under the laws of the province of Québec ("**Assignee**").

Assignee will be responsible for submitting the Short-Form Assignment Documents to the relevant governmental Intellectual Property Offices.

3. Assignor further agrees, from time to time, to make, do, and execute, or cause to be made, done, or executed all such further acts, deeds, assurances, or things that may

reasonably be required to give effect to the foregoing provisions including the execution of any further country-specific assignment documents, power of attorney documents and other documents necessary to effect the recordal of the assignments at the various relevant governmental Intellectual Property Offices.
