TRADEMARK ASSIGNMENT AGREEMENT AND POWER OF ATTORNEY

This TRADEMARK ASSIGNMENT AGREEMENT AND POWER OF ATTORNEY (this "Agreement") is entered into and dated as of September 30, 2014, by and among Kids Line, LLC, a Delaware limited liability company ("Kids Line"), CoCaLo, Inc., a California corporation ("CoCaLo"), LaJobi, Inc. ("LaJobi") and TG Valentine, LLC, a Delaware limited liability company ("Purchaser"). Each of Kids Line, CoCaLo and LaJobi is referred to herein individually as an "Assignor," and all of them collectively are referred to as the "Assignors." This Agreement is entered into pursuant to that certain Asset Purchase Agreement, dated as of September 3, 2014, by and among Assignors and Purchaser (the "Purchase Agreement"). Capitalized terms used and not defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.

WHEREAS, pursuant to the Purchase Agreement, each Assignor has agreed, to the fullest extent permitted by Sections 363 and 365 of the Bankruptcy Code, to sell, transfer, convey and deliver to Purchaser, and Purchaser has agreed to purchase, acquire and accept from such Assignor, all of such Assignor's right, title and interest in and to the trademarks and service marks used in the Business including, without limitation, the trademarks and service marks listed on Schedule A, and under the trademark and service mark registrations and applications listed thereon, (collectively, the "Assigned Marks").

WHEREAS, in accordance with the Purchase Agreement, the parties wish to execute this recordable instrument, assigning all of each Assignor's right, title and interest in and to the Assigned Marks to Purchaser.

NOW, THEREFORE, for valuable consideration set forth in the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, each Assignor and Purchaser agrees as follows:

1. Each Assignor hereby sells, assigns, transfers, and sets over to Purchaser, and its lawful successors and assigns, such Assignor's entire right, title, and interest in and to (a) the Assigned Marks that are owned by such Assignor, (b) all goodwill symbolized by and associated with the business conducted under such Assigned Marks, (c) all registrations and applications (including intent-to-use applications) for such Assigned Marks and (d) all rights to sue and recover for any past, present or future infringements, dilution, damage, profits or injury (and including the right to take over and continue any and all existing suits) to such Assigned Marks.
2. Each Assignor hereby authorizes and requests the U.S. Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Purchaser as the assignee and owner of such Assigned Marks, and all applications and registrations thereof, and to issue all corresponding registrations to the Purchaser, its successors, legal representatives and assigns, in accordance with the

terms of this instrument.

3. Each Assignor hereby agrees, without further consideration, to execute all papers and to perform such other proper acts as Purchaser or its successors or assigns may deem reasonably necessary to secure for Purchaser or to its successors or assigns, or to evidence the rights, hereby transferred.
4. This Agreement is subject to the terms and conditions of the Purchase Agreement and this Agreement shall not be deemed to limit, enlarge or extinguish any obligation of any Assignor or Purchaser under the Purchase Agreement, all of which obligations shall survive the delivery of this Agreement in accordance with the terms of the Purchase Agreement, and that to the extent there is any conflict between this Agreement and the terms and conditions of the Purchase Agreement, the Purchase Agreement shall control.
5. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
6. In order to effectuate the rights described herein, each Assignor hereby irrevocably constitutes and appoints Purchaser its lawful attorney-in-fact to do all acts and things permitted or contemplated by the terms hereof.
