TRADEMARK ASSIGNMENT

THIS ASSIGNMENT OF TRADEMARKS (this "Assignment"), including all schedules attached hereto, is made effective April 20, 2017, between Marathon Pharmaceuticals, LLC, a Delaware limited liability company ("Assignor"), and PTC Therapeutics, Inc., a Delaware corporation ("Assignee"). All capitalized terms not otherwise defined herein, as used in this Assignment, shall have the respective meanings ascribed to such terms in the Agreement (as defined below).

WHEREAS, Assignor and Assignee are parties to an Asset Purchase Agreement, dated March 15, 2017 (the "Agreement"); and

WHEREAS, pursuant to the Agreement, Assignor has agreed to transfer and assign to Assignee, as successor to the business to which the Trademarks pertain, and Assignee desires to accept the transfer and assignment of, all of Assignor's Trademarks primarily used in Assignor's exploitation of any of the Products, Assignor's exploitation of Seller Internal Systems and Assignor's conduct of the Business, including, but not limited to, the trademarks listed on Schedule A attached hereto (all of the foregoing being referred to herein as the "Assigned Trademarks").

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and in the Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby irrevocably assigns to Assignee, as successor to the business to which the Assigned Trademarks pertain, the entire right, title and interest in and to, including at common law, the Assigned Trademarks and trademark applications and registrations therefor, together with the goodwill of the business in connection with which the Assigned Trademarks are used. This Assignment includes all of the Assignor's rights to register, enforce and sue for, and to receive monetary damages and equitable relief for, infringements of the Assigned Trademarks, including any which occurred prior to the date of this assignment and those that occur in the future.

Assignor further agrees, for itself, its successors and assigns, to execute such further documents and to perform such further lawful acts as may reasonably be requested by Assignee to effectuate this assignment.
