CONFIRMATORY TRADEMARK ASSIGNMENT
(NUNC PRO TUNC)

This Confirmatory Trademark Assignment (the "Trademark Assignment"), Nunc Pro Tunc, executed on the date indicated below, and having an effective date of July 29, 2016 (the "Effective Date"), is made by and between **Granite Loan Management of Delaware, LLC**, a limited liability company formed under the laws of the State of Colorado (together with its affiliates and subsidiaries, "Assignor"), and **Altisource Solutions S.à r.l.**, a private limited liability company ("société à responsabilité limitée") incorporated under the laws of the Grand Duchy of Luxembourg ("Assignee").

WHEREAS, prior to the Effective Date, Assignor was the owner of the entire right, title, and interest in, to, and under the United States trademarks, applications, cancelled trademarks, and common law trademarks listed on Exhibit A and the goodwill associated with all of the foregoing (collectively, the "Marks"); and

WHEREAS, Assignee, via its acquisition of, *inter alia*, all of the intellectual property and associated goodwill of Assignor on the Effective Date (the "Transaction") acquired the Marks; and

WHEREAS, Assignee wishes to record its ownership interest in the Marks with the United States Patent and Trademark Office ("USPTO") and desires Assignor to execute this Trademark Assignment to confirm the assignment all of Assignor's right, title, and interest in and to the Marks that occurred as part of the Transaction.

NOW, THEREFORE, for good and valuable consideration as set forth in the Purchase and Sale Agreement between the parties, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby confirms that as of the Effective Date, it irrevocably sold, assigned, transferred, and set over to Assignee all of Assignor's right, title and interest in and to the Marks, together with the goodwill of the business in connection with which the Marks are used, and all registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Trademark Assignment had not been made, together with all income, royalties, damages or payments due or payable as of the Effective date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Marks and issue any and all registrations issued thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns or other legal representatives.
3. Assignor shall provide Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation) as may be reasonably required in the implementation of perfection of this Trademark Assignment and in the preparation and prosecution of any application for registration or renewal of a registration covering the Marks.
4. This Trademark Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. Copies (electronic, facsimile, photo static or otherwise) of signatures to this Trademark Assignment shall be deemed to be originals, and may be relied on to the same extent as the originals.
5. Except to that extent that federal law preempts state law with respect to the matters covered hereby, this Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the principles of conflicts of laws thereof.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Trademark Assignment to be duly executed and effective as of the Effective Date.
