In order to apply any sum held or received by the Security Trustee or a Receiver in or towards payment of the Secured Obligations, the Security Trustee or such Receiver may purchase an amount in another currency and the rate of exchange to be used shall be that at which, at such time as it considers appropriate, the Security Trustee or such Receiver is able to effect such purchase.

30.4 Currency Indemnity

If any sum due from a Company under this Debenture or any order or judgment given or made in relation to this Debenture has to be converted from the currency (the "**first currency**") in which the same is payable under this Debenture or under such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against that Company, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to this Debenture, the relevant Company shall indemnify and hold harmless each Secured Party from and against any loss it suffers or incurs as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Secured Party may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

30.5 Rights Cumulative

The rights and remedies provided by this Debenture are cumulative and not exclusive of any rights or remedies provided by law.

30.6 Unfettered Discretion

Any liberty or power which may be exercised or any determination which may be made under this Debenture by the Security Trustee or any Receiver may be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

- (a) for a restriction in the following terms to be entered on the Proprietorship Register relating thereto:

"No disposition or dealing of the registered estate by the proprietor of the registered estate, or by the proprietor of any registered charge, not being a charge registered before the entry of this restriction, is to be registered without a written consent signed by the proprietor for the time being of the charge dated [*insert date*] in favour of [*insert name of Security Trustee*] referred to in the charges register or their conveyancer."

- (b) to enter a note of the obligation to make further advances by the Secured Parties on the charges register of any registered land forming part of the Secured Assets; and

- 34.2 The Parties agree that the courts of the Cayman Islands are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

- 34.3 Without prejudice to any other mode of service allowed under any relevant law, Gemfields plc:

- (a) irrevocably appoints Faberge Limited as its agent for service of process in relation to any proceedings before the Cayman Islands courts in connection with this Debenture and confirms that such agent for service of process has duly accepted such appointment; and
- (b) agrees that failure by the process agent to notify Gemfields plc of the process will not invalidate the proceedings concerned.

34.4 Notwithstanding Clause 34.1 above, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.
