Terms used herein but not otherwise defined shall have the meaning given to such terms in the Intercreditor Agreement); and

WHEREAS, pursuant to (i) that certain Security Agreement (the "Security Agreement"), dated as of June 14, 2017, among WG Global, LLC, Wheelabrator Group Inc., DISA Holding LLC, Castalloy, Inc., DISA Industries, Inc. and each Additional Grantor from time to time party thereto (each, a "Grantor"), and the Security Agent, and (ii) certain other Security Agreement Documents (including this Intellectual Property Security Agreement Supplement), the Grantor has secured the Secured Obligations (as defined in the Security Agreement) by granting to the Security Agent as security agent for the Secured Parties (as defined in the Security Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Intellectual Property Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Security Agent, to secure the Secured Obligations, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Intellectual Property Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each Patent and Trademark (as defined in the Security Agreement) owned by the Grantor, including, without limitation, each Patent and Trademark registration and application referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(ii) each Patent and Trademark License (as defined in the Security Agreement) to which the Grantor is a party, including, without limitation, each Patent and Trademark License identified in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Grantor against third parties for past, present or future unfair competition with, or violation of, intellectual property rights in connection with any injury to, or infringement or dilution of any Patent or Trademark owned by the Grantor (including, without limitation, any Patent or Trademark identified in Schedule 1 hereto) or for the goodwill associated with any of the foregoing; and
