INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment") is made and entered into as of May 30, 2017 ("Effective Date") by and between I-Frame Building Solutions, LLC, an Arizona limited liability company ("Assignor") and Syntheon Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the owner of the entire right, title, and interest in the patents, patent applications, trademarks and trademark registrations identified in Exhibit A ("Intellectual Property") which Intellectual Property secured Assignor's obligations under the terms of the July 1, 2014 Security Agreement between Assignor as the debtor and Assignee as successor in interest to the secured party, Syntheon Chile Limitada ("Security Agreement").

WHEREAS, Assignee has exercised its rights under the Security Agreement and Assignor accordingly agrees to transfer ownership of the Intellectual Property to Assignee;

NOW THEREFORE, in consideration of the foregoing and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by both Assignor and Assignee (collectively, the "Parties"), the Parties agree as follows:

1. Assignment. Assignor hereby assigns, transfers and conveys to Assignee, and Assignee accepts from Assignor, all right, title and interest of Assignor in and to the Intellectual Property, including all substitute, continuation, continuation-in-part and divisional applications based in whole or in part on the patents or patent applications within the Intellectual Property and all counterparts that have been or may be filed outside the United States or under the Patent Cooperation Treaty, along with the rights to prosecute, defend, enforce and maintain the Intellectual Property.

2. Cooperation. Upon Assignee's request, and without further consideration, but at Assignee's expense, Assignor agrees to perform any and all acts and to execute all documents necessary for Assignee to perfect its ownership in the Intellectual Property.

3. Governing Law. This Assignment shall be governed by and construed under the laws of the State of Arizona without regard to Arizona laws regarding conflicts of law.
