## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made as of June 30, 2017, by and among A GROUP, INC., a Massachusetts corporation ("Grantor"), and BERKSHIRE BANK, a Massachusetts banking corporation ("Lender").

Pursuant to the terms of that certain Loan Agreement of even date herewith (as the same may be amended, restated or otherwise modified from time to time, the "Loan Agreement") by and between the Grantor and the Lender, the Lender has established certain credit facilities for the Grantor (the "Loan Facility"), as evidenced by notes of even date herewith, in the original principal amounts of \$1,000,000; \$2,489,600; and \$7,500,000 (as the same may be amended, restated or otherwise modified from time to time, collectively the "Note") made by the Grantor payable to the order of the Lender. Capitalized terms used herein and not defined herein shall have the meanings ascribed to them in the Loan Agreement.

Pursuant to the Loan Agreement, Grantor is required to execute and deliver to Lender this Trademark Security Agreement.

In consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby unconditionally grants, assigns, and pledges to Lender, to secure the Obligations, a continuing security interest (referred to herein as the "Security Interest") in all of Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral"):

(a) all of its trademarks ("Trademarks") and all of its interests as licensor or licensee under trademark intellectual property licenses ("Trademark Intellectual Property Licenses") to which it is a party, including those (if any) referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the Uniform Commercial Code) of the foregoing, including without limitation any claim by Grantor against third parties for past, present, or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Trademark Intellectual Property License, including the right to receive damages, (ii) injury to the goodwill associated with any Trademark, and (iii) the right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

2. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this

Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantor to Lender, whether or not they are unenforceable or not allowable due to the existence of a bankruptcy or insolvency proceeding involving Grantor.

3. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Lender pursuant to a Security Agreement of even date herewith between Grantor and Lender "(Security Agreement)". Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

4. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement.

5. GOVERNING LAW. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of Massachusetts.

[signature page follows]

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Security Agreement to be executed and delivered as of the day and year first above written.
