PATENT AND TRADEMARK SECURITY AGREEMENT

WHEREAS, CARDIOME PHARMA CORP. ("**Grantor**"), is party to that certain Canadian Security Agreement, dated as of June 13, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"; capitalized terms used herein without definition shall have the meanings set forth in the Security Agreement), among Grantor, the Subsidiary Guarantors party thereto and CRG SERVICING LLC, as administrative and collateral agent (in such capacity, together with its successors and assigns, the "**Administrative and Collateral Agent**"), pursuant to which Grantor has granted in favor of Secured Parties a lien on all of its personal property, including without limitation the patents and patent applications listed on **Schedule A** hereto, and the trademarks and trademark applications listed on the **Schedule B** hereto; and

WHEREAS, it is a condition to the advance of the loans and other obligations secured by the Security Agreement, that Grantor execute and deliver, and cause to be filed in the Canadian Intellectual Property Office, the United States Patent and Trademark Office and any other applicable intellectual property office in another jurisdiction, this Patent and Trademark Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

As collateral security for the payment in full when due (whether at stated maturity, by acceleration or otherwise) of its Secured Obligations, Grantor hereby pledges and grants to the Administrative and Collateral Agent for the benefit of the Secured Parties a security interest in all of Grantor's right, title and interest in, to and under all of the following, as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement):

(i) all patents, patent applications, industrial designs and industrial design applications in each case whether now owned by Grantor or hereafter acquired and whether now existing or hereafter coming into existence, including without limitation those listed on **Schedule A** hereto, and all related patents and applications thereto, including all reissuances, continuations, continuations-in-part, revisions, extensions, re-examinations thereof, any patents and patent applications claiming priority to said patents and patent applications or from which said patents and patent applications claim priority, and pending applications associated therewith; and

(ii) all of the trademarks, whether now owned or at any time hereafter acquired, of Grantor that are registered with, or for which applications for registration have been filed with, the Canadian Intellectual Property Office, the United States Patent and Trademark Office, or other applicable intellectual property office in another jurisdiction, including the trademarks listed on **Schedule B** hereto, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application).

TRADEMARK
REEL: 006096 FRAME: 0643

Notwithstanding the foregoing, in the event of any conflict between this Patent and Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

This Patent and Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and construed in accordance with, the law of the Province of British Columbia and the federal laws of Canada applicable therein.
