GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (as amended, restated, supplemented or otherwise modified from time to time, this “Agreement”), dated as of June 30, 2017, is made by Global Healthcare Exchange, LLC, a Delaware limited liability company, H-Card, LLC, a Delaware limited liability company, V Financial Solutions, LLC, a Delaware limited liability company and Vendormate, Incorporated, a Georgia corporation (each, a “Grantor”), in favor of Ares Capital Corporation, as collateral agent (in such capacity, the “Agent”) in connection with that certain Second Lien Credit Agreement, dated as of June 30, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among Commerce Parent, Inc., a Delaware corporation (the “Parent”), Commerce Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Parent (the “Merger Sub”), and, upon the consummation of the Acquisition (including the merger contemplated by the Acquisition Agreement), GHX Ultimate Parent Corporation, a Delaware corporation (the “Acquired Company” and, upon the merger contemplated in the Acquisition Agreement, the “Borrower”), the Lenders from time to time party thereto and Ares Capital Corporation, as the Administrative Agent and the Collateral Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans to the Borrower (as defined in the Credit Agreement) upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Borrower and each Guarantor required to do so under the Credit Agreement has executed and delivered a Second Lien Security Agreement, dated as of June 30, 2017 in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Agent, for the benefit of the Secured Parties, a Lien on and Security Interest in, all of its right, title and interest in, to and under certain Intellectual Property, including Trademarks, that is not Excluded Property; and

NOW THEREFORE, in consideration of the premises and to induce the Lenders to make their respective Loans to the Borrower, each Grantor agrees, for the benefit of the Agent and the other Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.
2. Grant of Security Interest. Each Grantor hereby grants a lien on and security interest in all of such Grantor’s right, title and interest in, to and under the Trademarks that are not Excluded Property and that are listed on Schedule A hereto, including the goodwill symbolized thereby (the “Trademark Collateral”), to the Agent for the benefit of the Secured Parties as collateral security for the prompt and complete payment when due of the Obligations; provided

that, applications in the United States Patent and Trademark Office to register Trademarks on the basis of such Grantor's "intent to use" such Trademarks will not be deemed to be Trademark Collateral prior to the accepted filing of a "Statement of Use" and issuance of a "Certificate of Registration" pursuant to Section 1(d) of the Lanham Act or an accepted filing of an "Amendment to Allege Use" whereby such intent-to-use Trademark application is converted to a "use in commerce" application pursuant to Section 1(c) of the Lanham Act, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Trademark Collateral. The interest in the Trademark Collateral being granted hereunder shall not be construed as a current assignment, but rather as a security interest that provides the Agent and the other Secured Parties such rights as are provided to holders of security interests under applicable law.

3. Security Agreement. The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks record this Agreement with the U.S. Patent and Trademark Office.

5. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

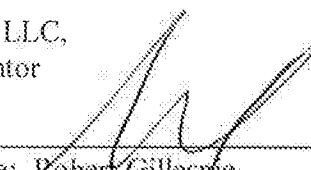

6. Governing Law: This Agreement shall be governed by, and construed in accordance with, the laws of the state of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
