INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (the "**Agreement**") is made as of June 29, 2017 by Canam Group Inc./Groupe Canam Inc., a corporation existing under the laws of the province of Québec ("**Assignor**") and Canam Buildings and Structures Inc., a corporation existing under the laws of the province of Québec ("**Assignee**").

WHEREAS, Assignor and Assignee have entered into an asset transfer agreement dated as of the date hereof (the "**Purchase Agreement**");

WHEREAS, subject to the terms and conditions of the Purchase Agreement, Assignor sold, transferred, conveyed, assigned and delivered to Assignee, and Assignee purchased, acquired and accepted, the following ("**Assigned Intellectual Property**"): all of Assignor's right, title and interest in and to all of the Intellectual Property, whether registered or not, including (i) the trademarks and corresponding applications and registrations listed on Schedule "A" hereto (the "**Trademarks**"), (ii) the patent and corresponding patent registrations listed in Schedule "B" (the "**Patents**"), (iii) the domain name registrations listed on Schedule "C" hereto (the "**Domain Names**"), and (iv) any other Intellectual Property owned by or licensed to Assignor or used by Assignor in connection with the Purchased Business;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Without limiting the generality of the terms of the Purchase Agreement, Assignor does hereby sell, transfer, convey, assign, and deliver unto Assignee and Assignee does hereby acquire, assume and accept from Assignor all of the Assigned Intellectual Property, together with all associated goodwill, income, royalties, damages, and payments accrued, due, or payable as of, prior to, or after the Effective Date (including damages and payments for past, present, or future infringements, misappropriations, dilutions, or violations thereof), the right to sue for past, present, and future infringements, misappropriations, dilutions, or other violations thereof, and any and all corresponding rights that, now or hereafter, may be secured throughout the world, the same to be held by Assignee as fully and entirely as the same could have been held and enjoyed by Assignor if this assignment had not been made.

2. Assignor hereby authorizes the Canadian Intellectual Property Office, the United States Patent and Trademark Office, and any all other relevant governmental Intellectual Property Offices to transfer and record the assignment of the Assigned Intellectual Property to Assignee, as assignee thereof, or otherwise as Assignee may direct. Concurrent with the execution of this Agreement, the parties may execute the separate country-specific short-form assignment documents and any necessary powers of attorney provided by Assignee (collectively, the "**Short-Form Assignment Documents**") solely for purposes of recording with the relevant governmental Intellectual Property Offices the change in title and assignment of the Assigned Intellectual Property to Assignee. Assignee will be responsible for submitting the Short-Form Assignment Documents to the relevant governmental Intellectual Property Offices.

3. Assignor further agrees, from time to time, to make, do, and execute, or cause to be made, done, or executed all such further acts, deeds, assurances, or things that may

reasonably be required to give effect to the foregoing provisions including the execution of any further country-specific assignment documents, power of attorney documents and other documents necessary to effect the recordal of the assignments at the various relevant governmental Intellectual Property Offices.

4. Assignor hereby authorizes each of the relevant registrars that are responsible for managing the Domain Names to transfer the Domain Names to Assignee, as assignee thereof, or otherwise as Assignee may direct. Assignor shall, at the request of Assignee, assist Assignee in effecting the formal transfer and recording of the assignment of the Domain Names, and shall execute any separate additional documents, including, without limitation, any forms of transfer including any online forms of transfer, and to do such acts or other things as may be required by Assignee to effect or confirm the assignment and transfer of the Domain Names to Assignee.

5. Assignor further agrees, from time to time, to make, do, and execute, or cause to be made, done, or executed all such further acts, deeds, assurances, or things that may reasonably be required to give effect to the foregoing provisions, including the execution of any further domain name transfer documents, authorizations and forms necessary to effect the assignment and transfer of the Domain Names to Assignee.

6. The terms and covenants of this Agreement shall inure to the benefit of Assignee, its successors and assigns and other legal representatives, and shall be binding upon Assignor, its successors, legal representatives and assigns.

7. All capitalized terms used in this Agreement which are not otherwise defined herein shall have the meanings given to them in the Purchase Agreement.

8. This Agreement shall be construed and interpreted in accordance with and governed by the laws of the Province of Québec and the laws of Canada applicable therein, without regard to the conflicts of law principles thereof.

9. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original copy of this Agreement, but all of which together shall constitute one and the same Agreement.

10. The parties hereby acknowledge that they agreed that this Agreement be drawn up in the English language. *Les parties reconnaissent avoir convenu que la présente convention soit rédigée en anglais.*
