## ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY ("Assignment"), dated as of July 7, 2017, is made by Cintas Holdings LLC, an Ohio limited liability company ("Assignor"), in favor of Cintas Corporation No. 2, a Nevada corporation ("Assignee").

WHEREAS, Assignor is an indirect subsidiary of Assignee; and

WHEREAS, Assignor desires to convey, transfer and assign to Assignee certain intellectual property of Assignor for recording with governmental authorities including, but not limited to, the US Patent and Trademark Office.

NOW THEREFORE, the parties agree as follows:

1. Assignment. In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following (the "Assigned IP"):

(a) the trademark registrations and applications set forth in Schedule 1 hereto, together with the goodwill connected with the use of and symbolized thereby and all issuances, extensions and renewals thereof (the "Trademarks");

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor authorizes the Commissioner for Trademarks and any other governmental officials to record and register this Assignment upon request by Assignee. Assignor shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar items, to ensure that the Assigned IP is properly assigned to Assignee, or any assignee or successor thereto.

3. Representations and Warranties. Assignor hereby represents and warrants to Assignee as follows, as of the date hereof:

(a) All required filings and fees related to the Trademarks have been timely filed with and paid to the USPTO and other relevant governmental authorities, and all such trademark registrations and applications are otherwise in good standing.

(b) Assignor owns all right, title and interest in and to the Assigned IP, free and clear of liens, security interests and other encumbrances. Assignor is in full compliance with all legal requirements applicable to the Assigned IP and Assignor's ownership and use thereof.

(c) To Assignor's knowledge, no person has infringed, violated or misappropriated, or is infringing, violating or misappropriating, any of the Assigned IP.

4. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

5. Successors and Assigns. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Ohio, without giving effect to any choice or conflict of law provision or rule (whether of the State of Ohio or any other jurisdiction).

*[Remainder of page intentionally left blank. Signature page follows.]*

IN WITNESS WHEREOF, Assignor has duly executed and delivered this Assignment as of the date first above written.
