**SECURITY AGREEMENT
RE: PATENTS, TRADEMARKS AND COPYRIGHTS**

THIS SECURITY AGREEMENT RE: PATENTS, TRADEMARKS AND COPYRIGHTS (as amended, modified, supplemented, renewed or restated from time to time, this “**Agreement**”), dated as of July 7 2017, is made by **24/7 INTERMEDIATE GROUP, INC.**, a Delaware corporation (“**Intermediate**”), **INSTANT SALES SOLUTION, INC.**, a Florida corporation (“**OpCo**”; together with Intermediate, the “**Borrowers**”), and **24/7 GROUP, INC.** a Delaware corporation (“**Parent**”; collectively with the Borrowers, the “**Grantors**”), in favor of **HARVEST CAPITAL CREDIT CORPORATION**, a Delaware corporation, for itself and as agent for the benefit of the Lenders (defined in the Loan Agreement referred to below) and their respective successors and assigns (“**Agent**”).

RECITALS:

A. Pursuant to the Loan and Security Agreement, dated of even date herewith (the “**Loan Agreement**”), by and among the Borrowers and any other borrower from time to time thereunder, Parent and any other Guarantor from time to time a party thereto, the Lenders party thereto, and the Agent, the Lenders have agreed to make certain Loans and financial accommodations available to the Borrowers. Capitalized terms used herein without definition shall be defined in the manner set forth in the Loan Agreement.

B. In order to induce the Lenders to make the Loans in accordance with the Loan Agreement, and in consideration therefor, the Grantors have agreed to grant to the Agent, its successor and assigns, for itself and as agent for the Lenders, a lien on and security interest in all of the Grantors’ assets and properties, whether now or hereafter existing, owned or acquired, pursuant to the terms of this Agreement and certain other documents, instruments and agreements in order to secure (i) the due and punctual payment of (A) the principal and interest (including, without limitation, interest accruing during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of whether allowed or allowable in such proceeding) on the Loans and the Notes whether now existing or hereafter arising, when and as due, whether at maturity, by acceleration, upon one or more dates set for prepayment or otherwise, and (B) all obligations of the Grantors under the Loans, the Notes, the Loan Agreement, this Agreement or the other Security Documents (including, without limitation, the Guarantee Agreement) or any other Financing Agreement whether now existing or hereafter arising, including without limitation, fees, attorneys’ fees, costs, expenses and indemnities, whether primary, secondary, direct, absolute or contingent, joint or several, fixed or otherwise (including, without limitation, monetary obligations incurred during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding regardless of whether allowed or allowable in such proceeding), (ii) the due and punctual performance of the covenants, agreements, obligations and liabilities whether now existing or hereafter arising, direct or indirect, due or to become due, of the Grantors individually or collectively under or pursuant to the Loans, the Notes, the Loan Agreement, this Agreement or the other Security Documents or any other Financing Agreements, and (iii) the other Liabilities (collectively, the “**Secured Obligations**”).

C. It is a condition precedent to making of the Loans by the Lenders that the Grantors, jointly and severally, execute and deliver this Agreement.

NOW, THEREFORE, for and in consideration of the covenants and provisions set forth herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors, jointly and severally agree as follows:

Section 1. Grant of Security Interest in the Collateral; Obligations Secured. (a) The Grantors hereby:

(1) mortgage, pledge and grant to the Agent, its successors and assigns, for itself and as agent for the Lenders, a security interest in, and acknowledge and agree that the Agent, its successors and assigns, for itself and as agent for the Lenders, has and shall continue to have a continuing security interest in, any and all right, title and interest of the Grantors, whether now existing or hereafter acquired or arising, in and to the following:

applications in the United States Patent and Trademark Office or in any similar office or agency of the United States of America, any state thereof or any other country or any political subdivision thereof and (B) all renewals thereof), including without limitation each Trademark application and registration listed on Schedule B-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark;

(vi) **Copyright Licenses.** Copyright Licenses, whether now owned or hereafter acquired, or in which the Grantors now have or hereafter acquire any rights (the term “**Copyright Licenses**” means and includes any written agreement granting to any person any right to use or exploit any Copyright or Copyright registration of another person), including without limitation the agreements (if any) described in Schedule C-2 hereto, and all royalties and other sums due or to become due under or in respect of the Grantors’ Copyright Licenses, together with the right to sue for and collect all such royalties and other sums; and

(vii) **Proceeds and Products.** All proceeds and products of the foregoing and all insurance of the foregoing and proceeds thereof, whether now existing or hereafter arising, including without limitation (A) any claim of the Grantors against third parties for damages by reason of past, present or future infringement of any Patent or any Patent licensed under any Patent License, (B) any claims by the Grantors against third parties for damages by reason of past, present or future infringement or dilution of any Trademark or of any Trademark

all of the foregoing being herein sometimes referred to as the “**Collateral**”; provided, however, that the following (collectively, “**Excluded Assets**”) shall be excluded from Collateral: (a) any “intent-to-use” application for registration of a trademark of any Grantor filed in the United States Patent and Trademark Office pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, and (b) any lease, license, permit or other property or asset the pledge of which would violate applicable law, rule or regulation or any contract or agreement, or require any contractual third party consent or governmental consent, approval, license or authorization (but only to the extent, and for so long as, such violation continues or such consent, approval, license or authorization has not been obtained or the requirement therefor continues and is not rendered ineffective by, or is otherwise unenforceable under, the Uniform Commercial Code or any other applicable law (including pursuant to Section 9-406, 9-407, 9-408 or 9-409 of the Uniform Commercial Code), and in the event any such violation ceases, or any such consent, approval, license or authorization is obtained or the requirement therefor eliminated or rendered ineffective, a security interest in such assets shall be automatically and simultaneously granted hereunder and such assets shall be included as Collateral).

This Agreement, including the security interest granted hereunder, is made and given to secure, and shall secure, the prompt payment or performance in full when due, whether by lapse of time, acceleration or otherwise, of the Secured Obligations.

Section 2. Continuing Agreement; Termination and Release. This Agreement is made for collateral purposes only. This Agreement shall be a continuing agreement in every respect and shall remain in full force and effect until the termination of the Loan Agreement pursuant to Section 11.37 thereof. Upon such termination of this Agreement, the Agent shall, upon the request and at the expense of the Grantors, forthwith release, assign and transfer, without recourse, and, to the extent applicable, deliver, against receipt and without recourse to

the Agent, such Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof to or on the order of the Grantors. Said release, assignment, transfer and delivery shall include an instrument in form recordable in the United States Patent and Trademark Office and the United States Copyright Office by which the Agent shall terminate, release and, without representation, recourse or warranty, reassign to the Grantors all rights in each Patent, Patent License, Trademark, Trademark License, Copyright and Copyright License, including each registration thereof and application therefor, conveyed and transferred to the Agent pursuant to this Agreement.

Section 3. No Release. Nothing set forth in this Agreement shall relieve the Grantors from the performance of any term, covenant, condition or agreement on the Grantors' part to be performed or observed under or in respect of any of the Collateral or from any liability to any party under or in respect of any of the Collateral or impose any obligation on the Agent to perform or observe any such term, covenant, condition or agreement on the Grantors' parts to be so performed or observed or impose any liability on the Agent for any act or omission on the part of the Grantors relative thereto or for any breach of any representation or warranty on the part of the Grantors contained in this Agreement or under or in respect of the Collateral or made in connection herewith or therewith.

Section 4. Use of Collateral. Notwithstanding anything to the contrary contained herein, unless an Event of Default exists and until otherwise notified by the Agent, the Grantors may continue to exploit, license, use, enjoy and protect the Collateral throughout the world and the Agent shall from time to time execute and deliver, upon written request of the Grantors, any and all instruments, certificates or other documents, in the form so requested, necessary or appropriate in the reasonable judgment of the Grantors to enable the Grantors to continue to exploit, license, use, enjoy and protect the Collateral throughout the world.

Section 5. Representations and Warranties of the Grantors. The Grantors hereby represent and warrant to the Agent as follows:

(a) The Grantors are, and, as to the Collateral acquired by any of them from time to time after the date hereof, the Grantors will be, the owner or, as applicable, licensee of all the Collateral. The Grantors' rights in the Collateral are and shall remain free and clear of any lien, pledge, security interest, encumbrance, assignment, collateral assignment or charge of any kind, including without limitation any filing of, or agreement to file, a financing statement as Grantors under the Uniform Commercial Code or any similar statute, except for the lien and security interest created by this Agreement, Permitted Liens and "anti-assignment" provisions contained in licenses of Collateral (but only where the Grantor is the licensee under such license) to the extent not rendered fully ineffective by Section 9-408 of the UCC. The Grantors have made no previous assignment, conveyance, transfer or agreement (subject to the exceptions set forth in the previous sentence) in conflict with the liens granted hereby. The Grantors further represent and warrant to the Agent that Schedules A-1, A-2, B-1, B-2, C-1 and C-2 hereto, respectively, are true and correct lists of all Patents, Patent Licenses, registered Trademarks, registered Trademark Licenses, registered Copyrights and registered Copyright Licenses owned or used by the Grantors as of the date hereof (other than

license agreements for commercially available off-the-shelf software that is generally available to the public which have been licensed to a Grantor pursuant to end-user licenses) and that Schedules A-1, A 2, B-1, B-2, C-1 and C-2 are true and correct with respect to the matters set forth therein as of the date hereof.

(b) The Grantors have made all necessary filings and recordations to protect their interests in the portion of the Collateral that is material to their respective businesses.

(c) The Grantors own directly or have rights to use all the Collateral and all rights with respect to any of the foregoing used in or necessary for the business of the Grantors in the ordinary course as presently conducted. The use of the Collateral and all rights with respect to the foregoing by the Grantors does not, to the knowledge of the Grantors, infringe on the rights of any party, nor has any claim of such infringement been made.

(d) Upon appropriate filings and the acceptance thereof in the appropriate offices under the Uniform Commercial Code, in the United States Patent and Trademark Office and the United States Copyright Office this Agreement will create a valid and duly perfected lien on and security interest in the Collateral located in the United States of America effective against purchasers from and creditors of the Grantors, subject to no prior liens or encumbrances other than Permitted Liens.

Section 6. Covenants and Agreements of the Grantors. The Grantors hereby covenant and agree with the Agent as follows:

(a) On a continuing basis, the Grantors will, at the expense of the Grantors, subject to any prior licenses, encumbrances and restrictions and prospective licenses, encumbrances and restrictions permitted hereunder, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places within the United States of America, all such instruments, including without limitation appropriate financing and continuation statements and collateral agreements, and take all such action as may reasonably be deemed necessary or advisable by the Agent (i) to carry out the intent and purposes of this Agreement, (ii) to assure and confirm to the Agent the grant or perfection of the security interest in the Collateral intended to be created hereby, subject to no prior Liens or encumbrances other than Permitted Liens, for the benefit of the Agent or (iii) to enable the Agent to exercise and enforce its rights and remedies hereunder with respect to the Collateral.

(b) Without limiting the generality of the foregoing paragraph (a) of this Section 6, the Grantors (i) will not enter into any agreement that would impair or conflict with the Grantors' obligations hereunder (subject to the exceptions set forth in the second sentence of Section 5(a)); (ii) will, promptly following its becoming aware thereof, notify the Agent of (x) any final adverse determination in any proceeding in the United States Patent and Trademark Office or the United States Copyright Office related to Collateral material to a Grantor's business or (y) the institution of any proceeding or any adverse

determination in any federal, state, local or foreign court or administrative body regarding the Grantors' claims of ownership in or right to use any of the Collateral material to a Grantor's business, its right to register any such Collateral or its right to keep and maintain such registration; (iii) will preserve and maintain all rights in the material Collateral, unless no longer used in the ordinary course of the Grantors' business or no longer deemed necessary to the Grantors' business; (iv) will not grant or permit to exist any lien or encumbrance upon or with respect to the Collateral or any portion thereof except Permitted Liens and will not execute any security agreement or financing statement covering any of the Collateral except in favor of the Agent or the holders of a Permitted Lien; (v) will not permit to lapse or become abandoned (unless no longer used in the ordinary course of the Grantors' business) any Collateral material to a Grantor's business, or settle or compromise any pending or future material litigation or material administrative proceeding with respect to any Collateral without the prior written consent of the Agent, or, except for licenses of Collateral in the ordinary course of business, contract for sale or otherwise sell, convey, assign or dispose of, or grant any option with respect to, the Collateral or any portion thereof; (vi) upon the Grantors obtaining knowledge thereof, will promptly notify the Agent in writing of any event that could reasonably be expected to materially impair the value of any of the Collateral material to a Grantor's business, the ability of the Grantors or the Agent to dispose of any such Collateral or the rights and remedies of the Agent in relation thereto, including without limitation a levy or threat of levy or any legal process against any such Collateral; (vii) will diligently keep reasonable records respecting the Collateral; (viii) hereby authorizes the Agent, in its sole discretion, to file one or more financing or continuation statements relative to all or any part of the Collateral without the signature of the Grantors where permitted by law; (ix) will furnish to the Agent from time to time statements and schedules further identifying and describing the Collateral and such other materials evidencing or reports pertaining to the Collateral as the Agent may reasonably request, all in reasonable detail; (x) will pay when due any and all taxes, levies, maintenance fees, charges, assessments, licenses fees and similar taxes or impositions payable in respect of the Collateral except to the extent being contested in good faith by appropriate proceedings which prevent the enforcement of the matter being contested (and for which the Grantors have established adequate reserves) and do not interfere with the business of the Grantors in the ordinary course or unless such Collateral is no longer necessary to the Grantors' business; and (xi) comply in all material respects with all laws, rules and regulations applicable to the Collateral.

(c) If, before the Secured Obligations shall have been paid and satisfied in full, the Grantors shall obtain any rights to or become entitled to the benefit of any new patent, patent application, service mark, trade name, trademark, trademark application, trademark registration, copyright, copyright application, copyright registration, license renewal or extension, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, except to the extent constituting Excluded Assets, the provisions of this Agreement shall automatically apply thereto and the same shall automatically constitute Collateral and be and become subject to the collateral assignment, lien and security interest created hereby, as the case may be, without further action by any party, all to the same extent and with the same

force and effect as if the same had originally been Collateral hereunder. If the Grantors so obtain or become entitled to any of the rights described above which are material, the Grantors shall promptly give written notice thereof to the Agent. The Grantors agree to confirm the attachment of the lien and security interest created hereby to any such rights described above by execution of instruments, including, without limitation, instruments for recordation with the United States Patent and Trademark Office and the United States Copyright Office, in form and substance acceptable to the Agent.

(d) The Grantors shall promptly notify the Agent of any future Collateral consisting of registrations or applications of Patents, Trademarks, or Copyrights or any other material Collateral and, upon receipt of such notice by the Agent, Schedules A-1, A-2, B-1, B-2, C-1 and C-2 hereto shall be deemed amended to include reference to any such future Collateral.

(e) The Grantors shall prosecute diligently applications for the Patents, Trademarks and Copyrights now or hereafter pending and make application on unpatented but patentable inventions and registrable but unregistered Trademarks and Copyrights, that, in each case, would be materially beneficial to the business of the Grantors in the ordinary course as presently, and as now contemplated will be, conducted, file and prosecute opposition and cancellation proceedings and perform all acts necessary to preserve and maintain all material rights in the Collateral. Any expenses incurred in connection with such actions shall be borne by the Grantors.

(f) The Grantors shall not abandon any right to file any material patent application, trademark application, service mark application, copyright application, patent, trademark or copyright without the prior written consent of the Agent, which consent shall not be unreasonably withheld.

Section 7. Supplements; Further Assurances. The Grantors (i) agree that they will join with the Agent in executing and, at their own expense, file and refile, or permit the Agent to file and refile, such financing statements, continuation statements and other instruments and documents (including without limitation this Agreement) in such offices (including without limitation the United States Patent and Trademark Office and the United States Copyright Office) as the Agent may reasonably deem necessary or appropriate in order to perfect and preserve the rights and interests granted to the Agent hereunder, (ii) hereby authorize the Agent to file and refile such instruments and documents and any other instruments or documents related thereto without the signature of the Grantors where permitted by law, and (iii) agree to do such further acts and things, and to execute and deliver to the Agent such additional instruments and documents, as the Agent may reasonably require to carry into effect the purposes of this Agreement or to better assure and confirm unto the Agent its respective rights, powers and remedies hereunder. All of the foregoing are to be at the sole cost of the Grantors. Any reasonable costs of the foregoing incurred by the Agent shall be payable by the Grantors upon demand, together with interest thereon from the date of incurrence until so paid, and shall constitute additional Secured Obligations.

Section 8. The Agent May Perform. If the Grantors fail to perform any agreement contained herein after receipt of a written request to do so from the Agent, the Agent may itself, but shall not be obligated to, perform, or cause performance of, such agreement, and the reasonable expenses of the Agent, including, without limitation, the reasonable fees and expenses of its counsel, so incurred in connection therewith shall be payable by the Grantors.

Section 9. Remedies. While an Event of Default exists, the Agent shall have, in addition to all other rights provided herein, in the Loan Agreement or by law, the rights and remedies of a “Secured Party” under the Uniform Commercial Code, and further the Agent may, without demand and without advertisement, notice (except as required by law), hearing or process of law, all of which the Grantors hereby waive, at any time or times, sell and deliver any or all of the Collateral at public or private sale, for cash, upon credit or otherwise, at such prices and upon such terms as the Agent deems advisable, in its sole discretion. In addition to all other sums due the Agent hereunder, the Grantors shall pay the Agent all reasonable and documented costs and expenses incurred by the Agent, including, without limitation, reasonable attorneys’ fees and court costs, in obtaining, liquidating or enforcing payment of the Collateral or the Secured Obligations or in the prosecution or defense of any action or proceeding by or against the Agent or the Grantors concerning any matter arising out of or connected with this Agreement or the Collateral or the Secured Obligations.

Without in any way limiting the foregoing, while an Event of Default exists, the Agent may, and without advertisement, notice, hearing or process of law of any kind, all of which the Grantors hereby waive, (i) exercise any and all rights as beneficial and legal owner of the Collateral, including without limitation any and all consensual rights and powers with respect to the Collateral and (ii) sell or assign or grant a license to use, or cause to be sold or assigned or a license granted to use, any or all of the Collateral or any part hereof, in each case free of all rights and claims of the Grantors therein and thereto, but subject to any existing licenses in the Collateral permitted under the terms of this Agreement. In that connection, the Agent shall have the right to cause any or all of the Collateral to be transferred of record into the name of the Agent or its nominee as well as the right to impose (i) such limitations and restrictions on the sale or assignment of the Collateral as the Agent may deem to be necessary or appropriate to comply with any law, rule or regulation, whether federal, state or local, having applicability to the sale or assignment and (ii) requirements for any necessary governmental approvals.

Failure by the Agent to exercise any right, remedy or option under this Agreement or any other agreement between the Grantors and the Agent or provided by law, or delay by the Agent in exercising the same, shall not operate as a waiver; no waiver shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated. Neither the Agent nor any party acting as attorney for the Agent shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct. The rights and remedies of the Agent under this Agreement shall be cumulative and not exclusive of any other right or remedy which the Agent may have.

Section 10. Power of Attorney. The Grantors hereby irrevocably appoint the Agent, its nominee, or any other person whom the Agent may designate as the Grantors’ attorney-in-fact,

with full authority in the place and stead of the Grantors and in the name of the Grantors, the Agent or otherwise, while an Event of Default exists, or if the Grantors fail to perform any agreement contained herein, then to the extent necessary to enable the Agent to perform such agreement itself, from time to time in the Agent's discretion, to take any action and to execute any instrument which the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation to record an assignment of the Trademarks and Trademark Licenses, if any, to the Agent with the United States Patent and Trademark Office, to prosecute diligently any Patent, Trademark or Copyright or any application for Patents, Trademarks or Copyrights pending as of the date of this Agreement or thereafter until the Secured Obligations shall have been paid in full, to make application on unpatented but patentable inventions and registrable but unregistered Trademarks or Copyrights, to file and prosecute opposition and cancellation proceedings, to do all other acts necessary or desirable to preserve all rights in Collateral and otherwise to file any claims or take any action or institute any proceedings which the Agent may deem necessary or desirable to accomplish the purpose of this Agreement. The Grantors hereby ratify and approve all acts of any such attorney and agree that neither the Agent nor any such attorneys will be liable for any acts or omissions nor for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct. The foregoing power of attorney, being coupled with an interest, is irrevocable until the Secured Obligations have been fully paid and satisfied.

Section 11. Application of Proceeds. Unless the Agent otherwise directs, the proceeds of any sale of Collateral pursuant to this Agreement or otherwise, as any Collateral consisting of cash, shall be applied after receipt by the Agent as follows:

First, to the payment of all reasonable costs, fees and expenses of the Agent and its agents, representatives and attorneys incurred in connection with such sale or with the retaking, holding, handling, preparing for sale (or other disposition) of the Collateral or otherwise in connection with any Notes, this Agreement or any of the Secured Obligations, including without limitation, the reasonable fees and expenses of the Agent's agents and attorneys' (limited to a single counsel) and costs of any proceeding (whether at trial, appellate or administrative levels), if any, incurred by the Agent in so doing;

Second, to the payment of the Secured Obligations in such order as set forth in the applicable provisions of the Loan Agreement;

Third, to be held by the Agent in an amount reasonably necessary to satisfy the Secured Obligations that are then contingent or unliquidated; and

Fourth, any balance remaining after the Secured Obligations shall have been paid in full shall be paid over to the Grantors or to whomsoever may be lawfully entitled to receive the same.

Section 12. Effectiveness. This Agreement shall take effect immediately upon execution by the Grantors.

Section 13. Indemnity; Reimbursement of Agent; Deficiency. In connection with the Collateral, this Agreement and the administration and enforcement or exercise of any right or remedy granted to the Agent hereunder or under the other Financing Agreements or applicable laws, the Grantors, jointly and severally agree, subject to the limitations set forth hereafter (a) to indemnify, defend and hold harmless the Agent from and against any and all claims, demands, losses, judgments and liabilities (including without limitation, liabilities for penalties) of whatever nature, relating thereto or resulting therefrom, and (b) to reimburse the Agent for all reasonable costs and expenses, including without limitation, the reasonable fees and disbursements of attorneys, relating thereto or resulting therefrom. The foregoing indemnity agreement includes all reasonable costs incurred by the Agent in connection with any litigation relating to the Collateral whether or not the Agent shall be a party to such litigation, including without limitation, the reasonable fees and disbursements of attorneys for the Agent, and any out-of-pocket costs incurred by the Agent in appearing as a witness or in otherwise complying with legal process served upon it. The obligations of Grantors in this Section 13 are limited to the extent claims for indemnity, defense, or reimbursement do not arise from the gross negligence or willful misconduct of the Agent. In no event shall the Agent be liable, in the absence of gross negligence or willful misconduct on its part, for any matter or thing arising hereunder or otherwise relating hereto or to the other Financing Agreements, and the Grantors hereby release the Agent from any and all such claims, causes of action and demands. All indemnity obligations contained in this Section 13 and elsewhere in this Agreement shall survive the termination of this Agreement. After application of the proceeds by the Agent pursuant to Section 11 hereof, the Grantors shall remain liable to the Agent for any deficiency. To the extent that the foregoing undertakings may be unenforceable for any reason, the Grantors agree to make the maximum contribution to the payment and satisfaction of indemnified liabilities set forth in this Section 13 that is permissible under applicable law.

14. Continuing Lien. It is the intent of the parties hereto that (a) this Agreement shall constitute a continuing agreement as to any and all future, as well as existing transactions, among the Grantors, the Lenders and the Agent under or in connection with the Financing Agreements, and (b) the security interest provided for herein shall attach to after-acquired as well as existing Collateral.

15. Termination. Upon the termination of the Loan Agreement pursuant to Section 11.37 thereof, this Agreement shall terminate and the Agent shall (i) reassign, redeliver and release (or cause to be so reassigned, redelivered and released), without recourse upon or warranty by the Agent, and at the sole expense of the Grantors, to the Grantors, against receipt therefor, such of the Collateral (if any) as shall not have been sold or otherwise applied by the Agent pursuant to the terms hereof and not theretofore reassigned, redelivered and released to the Grantors, together with appropriate instruments of reassignment and release and (ii) authorize the filing of such termination statements and take such other actions at the sole expense of the Grantors to evidence such termination as the Grantors shall reasonably request.

16. Notices. All notices, requests and other communications hereunder shall be in writing (including facsimile transmission or similar writing) and shall be given in accordance with the terms of the Loan Agreement.

17. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Agent that are contained in this Agreement shall bind and inure to the benefit of its respective successors and assigns. The Grantors may not assign or transfer any of their rights or obligations hereunder without the prior written consent of the Agent.

18. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAW OF ANOTHER JURISDICTION.

19. Waivers. No failure or delay of the Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or future exercise thereof or the exercise of any other right or power. The rights and remedies of the Agent hereunder are cumulative and not exclusive of any rights or remedies which they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Grantors therefrom shall in any event be effective unless the same shall be authorized as provided in Section 20, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Grantors in any case shall entitle the Grantors to any other or further notice or demand in similar or other circumstances.

20. Amendments. Neither this Agreement nor any provision hereof may be amended or modified except pursuant to an agreement or agreements in writing entered into by the Grantors and the Agent.

21. Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not in any way be affected or impaired thereby.

22. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which when taken together shall constitute but one contract, and shall become effective when copies hereof which, when taken together, bear the signatures of each of the parties hereto shall be delivered or mailed to the Agent.

23. Headings. Article and Section headings used herein are for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

24. Jurisdiction, Consent to Service of Process.

(a) THE GRANTORS HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMIT, FOR THEMSELVES AND THEIR PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF ANY NEW YORK STATE COURT OR FEDERAL COURT OF THE UNITED STATES OF AMERICA SITTING IN THE COUNTY OF NEW
