WHEREAS, Grantor, certain affiliates of Grantor, Grantee and Lenders are parties to that certain Credit and Guaranty Agreement dated August 31, 2012 (as the same may have been amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”) (all terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Credit Agreement), providing for extension of credit to be made to Grantor and certain of its affiliates by Lenders;

WHEREAS, pursuant to the terms of the Credit Agreement and certain other Security Documents executed by Grantor in favor of Grantee, Grantor previously granted to Grantee, for the benefit of Lenders, a security interest in substantially all of the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired trademarks, trade names, trade styles, trade dress, service marks, logos and other business identifiers and, to the extent permitted under applicable law, any applications therefore, whether registered or not (the “Trademarks”), together with the goodwill of the business symbolized by Grantor’s Trademarks, and all products and proceeds thereof, to secure, inter alia, the payment of all amounts owing by Grantor under the Credit Agreement;

WHEREAS, pursuant to the terms and conditions of that certain Trademark Security Agreement by and between Grantor and Grantee, dated August 31, 2012 (as the same may have been amended, restated, supplemented, or otherwise modified from time to time, the “Trademark Security Agreement”), Grantor granted, and reaffirmed its prior grant pursuant to the Credit Agreement and the other Security Documents, to Grantee, for its benefit and the benefit of the Lenders, among other things, a continuing security interest in Grantor’s entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the “Trademark Collateral”), whether now owned or existing or hereafter created, acquired or arising:

(i) all Trademarks, including without limitation each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantee hereby terminates, cancels, discharges, reassigns and releases to the Grantor any and all liens and security interests it has against, and any and all right, title and interest it may have in or to, the Trademark Collateral.

Grantee shall, at Grantor's expense, take all further actions, and provide to Grantor, its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by Grantor to more fully and effectively effectuate the purposes of this Release.
