## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is entered into this 10th day of July, 2017, by and between Merrill Cellars, LLC, an Oregon limited liability company (“Assignor”), and Oregon Brewing Company, an Oregon corporation (“Assignee”).

WHEREAS, Assignor is the owner of certain trademarks, trade names, trade dress and other source indicators as set forth on Exhibit 1 attached hereto, for which it has procured U.S. Trademark Registration No. 4,125,385 and accrued certain rights through usage (collectively, the “Property”);

WHEREAS, Assignee desires to acquire from Assignor all of its rights, title and interest in such Property and all business goodwill related therewith;

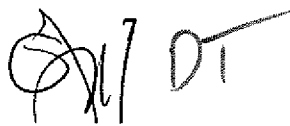

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignment. Assignor hereby assigns, transfers, conveys and grants to Assignee, its successors, assigns and legal representatives forever, Assignor’s entire right, title and interest in and to such Property throughout the world in perpetuity, together with the goodwill associated therewith and that part of the Assignor’s business connected with the use thereof and symbolized thereby, and any and all of Assignor’s other rights, privileges and priorities provided under state and federal law of the United States, and under the laws of any and all foreign jurisdictions with respect to the Property, including without limitation, Assignor’s common law rights and rights under the laws of unfair competition, and any and all rights of action at law and suits in equity to recover for past infringements of the Property currently known to Assignor as of the date hereof or that may become known after the date of this Agreement (the “**Transferred Rights**”), and any and all of Assignor’s rights to obtain renewals, reissues, and extensions for such Property upon registration of such Property throughout the world, or other legal protections pertaining to the Transferred Rights.

2. Further Assurances. Assignor covenants that it will, at any time and from time to time upon not less than ten (10) business days prior written request therefor, at Assignee’s sole expense and without the assumption of any additional liability therefor, execute and deliver to Assignee, and its successors and assigns, any new or confirmatory instruments and take such further acts as Assignee may reasonably request to fully evidence the assignment and/or sale contained herein and to enable Assignee, and its successors and assigns, to fully realize and enjoy the rights, interests an property assigned or sold hereby.

3. Successors. The provisions of this Assignment are binding upon, and inure to the benefit of, the successors and assigns of Assignor and Assignee, respectively.

4. Counterparts. This Assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which when taken together constitutes one and the same instrument. The signature page of any counterpart may be detached therefrom without impairing the legal effect of the signature(s) thereon, provided such signature page is attached to any other counterpart identical thereto except having additional signature pages executed by other parties to this Assignment attached thereto.
