SECOND AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This SECOND AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of June 13, 2017 (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), is made by The GEO Group, Inc. ("GEO"), Cornell Companies, Inc. ("Cornell"), Geo Transport, Inc. ("Transport"), B.I. Mobile Breath (f/k/a Soberlink, Inc.) ("Mobile Breath"), Protocol Criminal Justice, Inc. ("Protocol") and B.I. Incorporated ("BI"), and together with GEO, Cornell, Transport, Mobile Breath, Care and Protocol, the "Grantors", and each a "Grantor", in favor of BNP Paribas, as administrative agent for the Secured Parties (in such capacity, the "Administrative Agent").

WHEREAS, GEO, GEO Corrections Holdings, Inc. ("Corrections"), the Australian Borrowers referred to therein, the Lenders from time to time party thereto and the Administrative Agent have entered into the Third Amended and Restated Credit Agreement, dated as of March 23, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"; all capitalized terms used and not defined herein shall have the meaning given thereto in the Credit Agreement or the applicable Security Document (as defined in the Credit Agreement));

WHEREAS, the Grantors have entered into the Second Amended and Restated Collateral Agreement, dated as of March 23, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among GEO, Corrections, certain subsidiaries of GEO, and the Administrative Agent;

WHEREAS, pursuant to the Collateral Agreement, each of the Grantors has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a continuing security interest in and all of such Grantor's rights in and to the Collateral, including all Patents and Patent Licenses, Trademarks and Trademark Licenses, and other Intellectual Property; and

WHEREAS, pursuant to the Collateral Agreement, each of the Grantors has agreed to execute and deliver this Agreement and such other documents or instruments as the Administrative Agent shall reasonably request.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

1. Continuing Grant of Security Interest. Notwithstanding the amendment and restatement of the Existing Credit Agreement on the Third Restatement Effective Date pursuant to the Credit Agreement, each Grantor other than Mobile Breath and Protocol (the "Existing Grantors") hereby confirms that the Amended and Restated Trademark Security Agreement, dated as of April 19, 2013 (the "Existing Trademark Security Agreement") and executed by the Existing Grantors in favor of the Administrative Agent, as well as all collateral described therein encumbered thereby will continue to secure, to the fullest extent permitted under applicable law and as contemplated by this Agreement and the Collateral Agreement, the payment and performance of the Obligations, whether now or hereafter existing under or in respect of the Credit Agreement or any other Loan Document. Each of the Grantors also hereby amends and restates its grant of security interest in its entirety as set forth in Section 2 below.

2. Grant of Security Interest. Each Grantor hereby grants to the Administrative Agent, for the ratable benefit of itself and the other Secured Parties, to the extent provided in the Collateral Agreement, a security interest and continuing lien on all of such Grantor's right, title and interest in and to the following, whether now owned or at any time hereafter acquired or arising or

wherever located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, but acceleration or otherwise) of the Obligations:

(a) all trademarks, rights and interests in trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith anywhere in the world, including, without limitation, those listed on Schedule 1 hereto;

(b) all reissues, extensions, continuations (in whole or in part) and renewals of any of the foregoing;

(c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past or future infringements of any of the foregoing;

(d) the right to sue for past, present and future infringements of any of the foregoing;

(e) all rights corresponding to any of the foregoing throughout the world; and

(f) any agreement now or hereafter in existence, whether written or oral, providing for the grant by or to any Grantor of any right to use any Trademark, including, without limitation, any of the foregoing referred to in Schedule 1.

3. Recordation. Each Grantor hereby authorizes and requests that the Commissioner of Trademarks and any other applicable government officer record this Agreement.

4. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy or by electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

5. Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of New York (including Section 5-1401 and Section 5-1402 of the General Obligations Law of the State of New York), without regard to the conflicts of law provisions of such state.

6. Conflict Provision. This Agreement has been entered into in conjunction with the provisions of the Collateral Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Collateral Agreement, all terms and provisions of which are incorporated herein in their entirety by this reference hereto. In the event that any provisions of this Agreement are in conflict with the Collateral Agreement or the Credit Agreement, the provisions of the Collateral Agreement or the Credit Agreement, as applicable, shall govern.

7. Amendment and Restatement. As of the date hereof, this Agreement shall amend, and restate as amended, the Existing Trademark Security Agreement, but shall not constitute a novation thereof or in any way impair or otherwise affect the rights or obligations of the parties thereunder (including with respect to representations and warranties made thereunder) except as such rights or obligations are amended or modified hereby. The Existing Trademark Security Agreement as amended and restated hereby shall be deemed to be a continuing agreement among the parties, and all documents, instruments, agreements and recordations delivered or made pursuant to or in connection with

the Existing Trademark Security Agreement not amended and restated in connection with the entry of the parties into this Agreement shall remain in full force and effect, each in accordance with its terms, as of the date of delivery or such other date as contemplated by such document, instrument, agreement or recordation to the same extent as if the modifications to the Existing Trademark Security Agreement contained herein were set forth in an amendment to the Existing Trademark Security Agreement in a customary form, unless such document, instrument, agreement or recordation has otherwise been terminated or has expired in accordance with or pursuant to the terms of the Credit Agreement, the Existing Credit Agreement, this Agreement or the Existing Trademark Security Agreement or such document, instrument, agreement or recordation or as otherwise agreed by the required parties hereto or thereto.

IN WITNESS WHEREOF, each of the undersigned has caused this Second Amended and Restated Trademark Security Agreement to be duly executed and delivered as of the date first above written.
