**IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE**

PATENT ASSIGNMENT

WHEREAS, Tensar International Corporation, a Georgia corporation incorporated under the laws of the State of Georgia, located and doing business at 2500 Northwinds Parkway, Suite 500, Alpharetta, Georgia 30009 (hereinafter "Assignor"), is the sole owner of the entire right, title and interest in, to and under the patents, applications and trademarks listed on Schedule A hereto; and all other intellectual property relating thereto and relating to Endurablend and the Endurablend System; and

WHEREAS, Assignor desires to sell, assign and transfer all of its right, title and interest in, to and under the intellectual property relating to Endurablend and the Endurablend System, including but not limited to the intellectual property identified on Schedule A hereto, as to all jurisdictions except for the Excluded Territories (the "Intellectual Property") Pavement Surface Coatings LLC, a limited liability company organized under the laws of the State of New Jersey, located and doing business at 81 Ball Road, Mountain Lakes, New Jersey 07046 (hereinafter "Assignee");

WHEREAS, the Excluded Territories are the United Kingdom, Germany, Russia and the other countries and territories within the Commonwealth of Independent States, and within the Asia Pacific Region (which is defined as Afghanistan, Pakistan, India, Sri Lanka, Mongolia, Nepal, China, Bangladesh, Bhuta, Myanmar, Laos, Thailand, Cambodia, Vietnam, Malaysia, Hong Kong, North Korea, South Korea, Japan, Philippines, Singapore, Indonesia, East Timor, New Guinea, Australia, New Zealand, Guam and the other islands in the Pacific Ocean west of the International Dateline);

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the Intellectual Property, including but not limited to the patents, patent applications and trademarks identified on Schedule A hereto, and all Letters Patent which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for inventions embodied by said patents and patent applications in any country and all Letters Patent which may be granted for said inventions embodied by said patents and patent applications in any country and all extensions, renewals and reissues thereof and all rights of priority in any such country or countries based upon said patents and patent applications which are created by any law, treaty or international convention, and including the right to sue or bring other actions to collect damages and other remedies for past, current and future infringement thereof, and to prosecute any and all patent or trademark applications relating to any of the foregoing; and Assignor hereby authorizes and requests the Commissioner of Patents of the United States, and any Official of any country whose duty it is to issue patents or trademarks on any such applications as aforesaid, to issue all Letters Patent for said inventions and trademark registrations or renewals to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND Assignor does hereby covenant that it has full and exclusive right to convey the entire interest herein assigned.

AND Assignor does further hereby covenant and agree that it will communicate to said Assignee, its successors, legal representatives and assigns, any facts known to it respecting said Intellectual Property, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything within its power to aid said Assignee, its successors, legal representatives and assigns at Assignee's request and expense, to obtain and enforce any attendant rights in all countries.
