NOTICE
OF
GRANT OF SECURITY INTEREST
IN
TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Security Agreement dated as of July 21, 2017 (as the same may be amended, modified, restated or supplemented from time to time, the “Security Agreement” – capitalized terms used and not otherwise defined herein have the meanings ascribed therein) by and among the undersigned Debtor and FIDUS INVESTMENT CORPORATION, in its capacity as administrative agent (in such capacity, “Administrative Agent”) on behalf of the holders of the Debt referenced therein, the undersigned Grantor has granted to Administrative Agent, for the holders of the Debt, a security interest in all of Debtor’s remedies, powers, privileges, rights, titles and interests (including all power of Debtor, if any, to pass greater title than it has itself) of every kind and character now owned or hereafter acquired, created or arising in and to the Trademarks, including the trademark registrations and trademark applications set forth on Schedule 1 attached hereto.

The undersigned Grantor and the Administrative Agent, on behalf of the holders of the Debt, hereby acknowledge and agree that the security interest in the trademark registrations and trademark applications set forth on Schedule 1 attached hereto (i) may only be terminated in accordance with the terms of the Security Agreement, (ii) is not to be construed as an assignment of any trademark or trademark application, and (iii) in the event of any conflict between the terms of this notice and the terms of the Security Agreement, the terms of the Security Agreement shall govern. This notice may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
