**DECLARATION IN SUPPORT OF CORRECTION OF ERRORS IN COVER SHEET
OF RECORDED DOCUMENT ON REEL 5777 FRAME 0835
U.S. REG. NOS. 4,615,802 AND 4,679,661**

Heartland Payment Systems, LLC and its predecessor in interest, Heartland Payment Systems, Inc. (collectively, "Heartland"), seek to correct an error in the Notice of Grant of Security Interest in Trademarks and cover sheet of the Grant of Security Interest previously recorded on Reel 5777 Frame 0835 (collectively, the "Grant of Security Interest") on April 26, 2016. In the Grant of Security Interest previously recorded with the USPTO, Heartland unintentionally misidentified and included U.S. Trademark Registration Nos. 4,615,802 and 4,679,661 (the "Registrations") in the Grant of Security Interest, although the Registrations were previously assigned by Heartland to Echosat, Inc., and such assignment was recorded on February 4, 2016. Heartland seeks to correct its good-faith error. Pursuant to TMEP §§ 503.03, 503.06(a), and 503.06(c), Heartland submits this Declaration along with (1) a completed new cover sheet and Grant of Security Interest containing the corrected information; (2) a copy of the originally recorded Grant of Security Interest containing the erroneous information; (3) a copy of the previously recorded, original cover sheet containing the erroneous information; and (4) the required fee for each registration to be corrected and pursuant to 37 C.F.R. §§ 2.6 and 3.41.

Pursuant to TMEP §§ 503.03, 503.06(a), and 503.06(c), Heartland declares as follows:

1. **The Registrations were included in the Grant of Security Interest in error.** When the recordal of the Grant of Security Interest at Reel 5777 Frame 0835 was prepared, on information and believe, Heartland instructed its counsel to prepare and record the cover sheet identifying the properties subject to the conveyance, and Heartland, through its counsel, mistakenly but in good faith prepared and filed a cover sheet including the Registrations for the mark SMARTLINK, among the 92 properties subject to the Grant of Security Interest.
2. **Echosat, Inc. has been and continues to be the current owner of the Registrations.** As shown in the Assignment recorded on Reel 5724 Frame 0700, the Registrations were previously assigned to Echosat, Inc., pursuant to an assignment document executed on December 31, 2015 and recorded on February 4, 2016. Accordingly, the correct owner of the SMARTLINK marks at U.S. Reg. Nos. 4,615,802 and 4,679,661, should be Echosat, Inc., which has been and continues to be the owner of the Registrations.

Pursuant to 37 C.F.R. §2.20, Heartland submits the following declaration to verify its request for correction of errors in the recorded Assignment and cover sheet:

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of this document or any registration resulting therefrom, declares that she is properly authorized to execute this document on behalf of the owner, and that all statements made of his/her own knowledge are true, and all statements made on information and belief are believed to be true.
