The parties to this Agreement are individually referred to as a "Party" and/or collectively referred to as the "Parties."

WHEREAS, Assignee wishes to acquire from Assignor any and all of its right, title and interest in, to the Mark and the Registration (collectively, the "Property").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers, conveys and grants to Assignee, its successors, assigns and legal representatives forever, Assignor's entire right, title and interest in and to such Property, all of the foregoing throughout the world in perpetuity, together with the goodwill associated therewith and that part of the Assignor's business connected with the use thereof and symbolized thereby, and any and all of Assignor's other rights, privileges and priorities provided under state and federal law of the United States, and under the laws of any and all foreign jurisdictions with respect to the Property, including without limitation, Assignor's common law rights and rights under the laws of unfair competition, and any and all rights of action at law and suits in equity to recover for past infringements of the Property currently known to Assignor as of the date hereof or that may become known after the date of this Agreement (the "Transferred Rights"), and any and all of Assignor's rights to obtain renewals, reissues, and extensions for such Property upon registration of such Property throughout the world, or other legal protections pertaining to the Transferred Rights;

AND, Assignor hereby covenants that Assignor has the full right to convey the interest assigned by this Agreement, has not conveyed any interest in or right to the Property to any third party;

AND, Assignor hereby further covenants and agrees that Assignor will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor respecting the Property, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Property in said Assignee, its successors and assigns, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper trademark protection for the Property in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors and assigns;

AND, Assignor hereby represents and warrants that Assignor has the full right to convey the interest assigned by this Assignment, and has not conveyed any interest in or right to the Property to any third party. Assignee shall have no restrictions on the Assignee's further assignment of the rights, title and interest in and to the Property and the goodwill and rights appurtenant thereto, to any party it so desires;

AND, Assignor authorizes and requests the USPTO, or any foreign equivalent thereof, to record Assignee as the owner of the Property and of any and all right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives; and
