CONFIRMATORY ASSIGNMENT

WHEREAS, The Sy-Klone Company, a Florida corporation (the "Corporation"), having its principal place of business at 4390 Imeson Road, Jacksonville, Florida 32219, formed The Sy-Klone Company, LLC, a Delaware limited liability company (the "LLC"), with the same address; and

WHEREAS, on or about May 1, 2017, the Corporation contributed substantially all of its assets to the LLC for good and valuable consideration; and

WHEREAS, among such contributed assets was all intellectual property owned, in whole or in part, by the Corporation; and

WHEREAS, both parties wish to confirm such contribution and assignment; and

WHEREAS, the Corporation changed its name to "Sy-Klone Holdings Incorporated," as reflected in an Amendment to the Articles of Incorporation adopted and approved by the Directors on April 28, 2017 and signed by the President and submitted for record on May 3, 2017; and

WHEREAS, notwithstanding the name change, the Corporation remains the same entity;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Corporation, both in its former and current names, agrees and confirms as follows:

1. PATENT ASSIGNMENT

Corporation has assigned, transferred and set over, and does hereby assign, transfer and set over, unto LLC, its successors, assigns and legal representatives, the entire right, title and interest for the entire world, including the United States, its territories, dependencies and possessions, in and to all inventions made by or on behalf of the Corporation, or in which the

Corporation has any rights, including any patents or patent applications in which the Corporation had rights as of May 1, 2017 and further including, without limitation, the patents and patent applications listed in the attached Exhibit A, as well as any and all provisional, non-provisional, divisional, continuation, ancestral (e.g., parent), international, foreign, design, confirmation, substitute and reissue application(s) or extensions thereof, as well as any and all applications claiming priority from such applications and any and all applications from which they claim priority; the same to be held and enjoyed by LLC, its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Corporation had no assignment been made, together with all claims for damages by reason of past infringement of said inventions, patents and rights, with the right to sue for and collect the same for its own use and for the use of its successors, assigns and legal representatives.

2. TRADEMARK ASSIGNMENT

Corporation has assigned, transferred and set over, and does hereby assign, transfer and set over, unto LLC, its successors, assigns and legal representatives, the entire right, title and interest for the entire world, including the United States, its territories, dependencies and possessions, in and to all trademarks and service marks used by the Corporation, as well as any trademark registrations or applications in which the Corporation had any right or interest as of May 1, 2017, together with the goodwill of the business connected with the use of and symbolized by the aforesaid marks, applications and registrations and including, without limitation, the trademark registrations and applications listed in the attached Exhibit B, as well as all rights of action on account of the Corporation's present or former trademarks.

3. ADDITIONAL TERMS

Corporation agrees that this assignment is binding on Corporation and its successors, assigns and legal representatives. Out of an abundance of caution, Corporation is executing this assignment in both its former and current names to make clear the intent to assign to the LLC all rights described above.

Corporation authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue any Letters Patent of the United States and Certificates of Registration (and the appropriate officer of any relevant foreign country to issue any Patent or Trademark Registration of such country), resulting from the rights or applications subject to this Confirmatory Assignment, and any confirmations, divisions, continuations, counterparts, reexaminations, reissues, renewals or extensions thereof, to LLC.

Corporation agrees to execute all papers necessary in connection with any interference or post-grant proceeding which may be declared concerning said patents or patent applications (and/or patents that may be granted therefrom), or any confirmation, division, continuation, reexamination or reissue thereof, and to cooperate with LLC in every way possible in obtaining evidence and going forward with such interference or post-grant proceeding.

Corporation covenants that it has full right to convey the interest herein assigned and that it has not executed and will not execute any agreement in conflict herewith.

Corporation agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

Corporation agrees to perform all affirmative acts which may be necessary to obtain, maintain or confirm by reissue or reexamination a grant of a valid United States patent to LLC or

to defend an opposition or cancellation proceeding with respect to any assigned trademark registrations or applications.
