THIS DEED OF ASSIGNMENT OF TRADEMARKS AND PATENTS (this "**Assignment**") effective as of June 26, 2017 (the "**Effective Date**"), is by and between **CENTRIA**, a general partnership formed pursuant to and governed by Chapter 83 of the Pennsylvania (USA) Revised Uniform Partnership Act having a business address of 10943 N. Sam Houston Pkwy West, Houston, TX 77064 ("**Assignee**"). Assignor and Assignee are sometimes referenced collectively as the "**Parties**".

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks and corresponding trademark applications and registrations set forth in **EXHIBIT A** incorporated herein by reference, together with all goodwill associated therewith (hereinafter, the "**Marks**"), as well as the patents, patent applications, and corresponding inventions disclosed therein, set forth in **EXHIBIT B** incorporated herein by reference (hereinafter the "**Patents**");

WHEREAS, Assignor desires to assign and transfer all of its rights, title and interest in, to, and under the Marks and all goodwill associated therewith, as well as the Patents, to Assignee, and Assignee desires to acquire all of Assignor's rights, title and interest in, to, and under the Marks and Patents pursuant to the terms and conditions of this Assignment.
