issuance of treasury stock but excluding those resulting from exercise of stock acquisition rights and conversion of securities that can be converted to the common shares of this Company)

Post-adjustment payment amount	Pre-adjustment payment amount	Number of shares already issued	Number of shares to be issued	Payment amount per share
$\frac{\text{Post-adjustment payment amount} \times \text{Pre-adjustment payment amount}}{\text{Number of shares already issued} + \text{Number of shares to be issued}}$				

In the above instance, the number of shares already issued is calculated by deducting the number of treasury stock that this Company holds one day prior to the effective date of the above issuance of the shares from the number of shares already issued. When disposing of the treasury stock, the phrase of "number of shares to be issued" is deemed to be replaced with "number of treasury stock to be disposed of" and "share price prior to issuance of shares for subscription" with "share price prior to disposition of treasury stock." In addition, with respect to the share price prior to issuance of shares for subscription in the above formula, where there is no market price attached to the share of this Company, it is deemed to be equal to the pre-adjustment payment amount, and where there is a market price attached to the share of this Company, the final trading price in the preferential market for this Company immediately prior to the adjustment.

(3) When the Company engages in an absorption-type merger or incorporation-type merger with another company and when these stock acquisition rights are inherited, or when the Company engages an incorporation-type split or absorption-type split, the Company will adjust the number of shares deemed necessary.

The period during which stock acquisition rights may be exercised

Form 04/22/2018 through 04/21/2026. Notwithstanding, however, if the commencement date of the period is a non-business day of this Company, the next business day shall be the commencement day, and if the last date of the period is a non-business day of this Company, business day prior to the last day of the period shall deem to be the last date of the period.

Conditions to exercise stock acquisition rights

(1) The person who has been assigned stock acquisition rights (hereinafter called "stock acquisition rights holder") is required to be the Company's Director, Auditor, or employee at the time of exercising the rights. Notwithstanding, however, this may not be the case if and when the board of directors approves as a special exception after considering various circumstances.

(2) When the holder of stock acquisition rights passes away, the holder's heirs may not inherit the said stock acquisition rights.

(3) The stock acquisition rights holder may be able to exercise the stock acquisition rights during the period as provided in "The Period during Which Stock Acquisition Right May Be Exercised" as far as the following conditions are met.

(i) Able to exercise up to one half of the designated stock acquisition rights during the period between 04/22/2018 and 04/21/2022.

(ii) Able to exercise up to three stock acquisition rights during the period between 01/01 and 12/31 of every year. In addition to the above restrictions.

(4) The share of this Company should be listed at one of the domestic financial instrument exchanges.
