WHEREAS, pursuant to the Security Agreement, the Grantors have granted to the Agent a security interest in, inter alia, certain Intellectual Property, including those Trademarks set forth on Exhibit A that constitute Collateral; and

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, each of the Grantors agrees, for the benefit of the Agent, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement, as applicable.

Each of the Grantors hereby grants a continuing security interest in, all of such Grantor's right, title and interest in, to and under the Trademarks constituting Collateral (including, without limitation, those items listed on Exhibit A hereto and all goodwill related thereto) and all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by Grantor against third parties for past, present or future unfair competition with, violation of intellectual property rights in connection with, injury to, or infringement or dilution of any trademark owned by Grantor, including, without limitation, any trademark listed on Exhibit A hereto, or injury to the goodwill associated with any of the foregoing (collectively, the "Trademark Collateral"), to the Agent, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

3. Purpose. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.
