PATENT AND TRADEMARK SECURITY AGREEMENT

This Patent and Trademark Security Agreement (this “Agreement”), dated as of August 8, 2017, is made by and between **Brock USA, LLC**, a Colorado limited liability company having a business location at the address set forth below next to its signature (“Borrower”), and **MidFirst Bank**, a federally chartered savings association (together with its participants, successors and assigns, “Lender”), having a business location at the address set forth below next to its signature.

Recitals

Borrower and Lender are parties to a Business Loan Agreement (Asset Based) (as amended, modified, supplemented or restated from time to time, the “Loan Agreement”) of even date herewith, setting forth the terms on which Lender may now or hereafter extend credit to or for the account of Borrower, and a Commercial Security Agreement (as amended, modified, supplemented or restated from time to time, the “Security Agreement”) of even date herewith.

As a condition to extending credit to or for the account of Borrower, Lender has required the execution and delivery of this Agreement by Borrower.

ACCORDINGLY, in consideration of the mutual covenants contained in the Related Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Loan Agreement that are not otherwise defined herein shall have the meanings given to them in the Loan Agreement. In addition, the following terms have the meanings set forth below:

“Intercreditor Agreement” has the meaning given in Section 12.

“Liens” means an interest in property securing an obligation owed to, or a claim by, another person or entity, including without limitation any lien (statutory or other), preference, priority or other security interest or preferential arrangement of any kind or nature whatsoever, pledge, hypothecation, mortgage, deed of trust, assignment, charge or deposit arrangement, trust, reservation, encroachment, easement, right-of-way, covenant, condition, restriction, lease, or other title exception or encumbrance, and any contingent or other arrangement to provide any of the foregoing.

“Patents” means all of Borrower’s right, title and interest in and to patents or applications for patents, fees or royalties with respect to each, and including without limitation the right to sue for past infringement and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on Exhibit A.

“Security Interest” has the meaning given in Section 2.

“Trademarks” means all of Borrower’s right, title and interest in and to:
(i) trademarks, service marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages

therefor, and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit B.

“Vendor” means, collectively, JSP Specialty Foams, LLC, a Delaware limited liability company formerly known as JSP International Specialty Foams, LLC, and JSP International LLC.

2. Security Interest. Borrower hereby irrevocably pledges and assigns to, and grants Lender a security interest (the “Security Interest”), with power of sale to the extent permitted by law, in the Patents and in the Trademarks (including without limitation those held through or under a tradename) to secure payment of the Indebtedness. As set forth in the Security Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of Borrower. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Representations, Warranties and Agreements. Borrower represents, warrants and agrees as follows:

(a) Existence; Authority. Borrower is a duly organized limited liability company, validly existing under the laws of its state of organization, and this Agreement has been duly authorized by all necessary action on the part of Borrower.

(b) Patents. Exhibit A accurately lists all Patents owned or controlled by Borrower as of the date hereof, or to which Borrower has a right as of the date hereof to have assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to the Patents as of the date hereof. If after the date hereof, Borrower owns, controls or has a right to have assigned to it any Patents not listed on Exhibit A, or if Exhibit A ceases to accurately reflect the existence and status of applications and letters patent pertaining to the Patents, then Borrower shall within 60 days provide written notice to Lender with a replacement Exhibit A, which upon acceptance by Lender shall become part of this Agreement.

(c) Trademarks. Exhibit B accurately lists all Trademarks owned or controlled by Borrower as of the date hereof and accurately reflects the existence and status of the Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit B need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to Borrower’s business. If after the date hereof, Borrower owns or controls any Trademarks not listed on Exhibit B (other than common law marks which are not material to Borrower’s business), or if Exhibit B ceases to accurately reflect the existence and status of applications and registrations pertaining to the Trademarks, then Borrower shall promptly provide written notice to Lender with a replacement Exhibit B, which upon acceptance by Lender shall become part of this Agreement.

(d) Title. Borrower has absolute title to each Patent and each Trademark listed on Exhibits A and B, free and clear of all Liens except, as long as the Intercreditor Agreement is in full force and effect as determined by Lender in its sole discretion, the Lien of Vendor. Borrower (i) will have, at the time Borrower acquires any rights in Patents or Trademarks hereafter arising, absolute title to each such Patent or Trademark free and clear of all Liens except, as long as the Intercreditor Agreement is in full force and effect as determined by Lender in its sole discretion, the Lien of Vendor, and (ii) will keep all Patents and Trademarks free and clear of all Liens except, as long as the Intercreditor Agreement is in full force and effect as determined by Lender in its sole discretion, the Lien of Vendor.

(e) No Sale. Except as permitted in the Loan Agreement or the Security Agreement, Borrower will not assign, transfer, encumber or otherwise dispose of the Patents or Trademarks, or any interest therein, without Lender's prior written consent.

(f) Defense. Borrower will at its own expense and using commercially reasonable efforts, protect and defend the Patents and Trademarks against all claims or demands of all persons or entities other than, as long as the Intercreditor Agreement is in full force and effect as determined by Lender in its sole discretion, Vendor.

(g) Maintenance. Borrower will at its own expense maintain the Patents and the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain letters patent or trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to letters patent, trademark registrations and applications therefor. Borrower covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Patent or Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing Lender: (i) sufficient written notice, of at least 30 days, to allow Lender to timely pay any such maintenance fees or annuities which may become due on any Patents or Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(h) Lender's Right to Take Action. If Borrower fails to perform or observe any of its covenants or agreements set forth in this Section 3, or if Borrower notifies Lender that it intends to abandon a Patent or Trademark, Lender may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of Borrower (or, at Lender's option, in Lender's own name) and may (but need not) take any and all other actions which Lender may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(i) Costs and Expenses. Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, Borrower shall pay Lender on demand the amount of all moneys expended and all expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with or as a result of Lender's taking action under

subsection (h) or exercising its rights under Section 6. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Borrower. All such expenses will become a part of the Indebtedness and, at Lender's option, will (i) be payable on demand; (ii) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during the remaining term of the Note; or (iii) be treated as a balloon payment which will be due and payable at the Note's maturity. This Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of an Event of Default.

(j) Power of Attorney. To facilitate Lender's taking action under subsection (h) and exercising its rights under Section 6, Borrower hereby appoints (which appointment is coupled with an interest) Lender, or its delegate, as the irrevocable attorney-in-fact of Borrower with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of Borrower, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by Borrower under this Section 3, or, necessary for Lender, after an Event of Default, to enforce or use the Patents or Trademarks or to grant or issue any exclusive or non-exclusive license under the Patents or Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Patents or Trademarks to any third party. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Loan Agreement as provided therein and the payment and performance of all Indebtedness.

4. Borrower's Use of the Patents and Trademarks. Borrower shall be permitted to control and manage the Patents and Trademarks, including without limitation the right to exclude others from making, using or selling items covered by the Patents and Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs and is continuing.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Loan Agreement, shall occur; (b) an Event of Default, as defined in the Security Agreement, shall occur; (c) Borrower shall fail promptly to observe or perform any covenant or agreement herein binding on it; provided that, if Borrower has not been given a notice of the same default within the preceding twelve (12) months, an Event of Default shall not exist under this clause (c), if, after Lender sends written notice to Borrower demanding cure of such default, Borrower: (1) cures the default within twenty (20) days; or (2) if the cure requires more than twenty (20) days, Borrower immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical, but in no event later than ninety (90) days; or (d) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. Upon the occurrence of an Event of Default and at any time thereafter, Lender may, at its option, take any or all of the following actions:

(a) Lender may exercise any or all remedies available under the Loan Agreement, the Security Agreement or any other Related Document.

(b) Lender may sell, assign, transfer, pledge, encumber or otherwise dispose of the Patents and Trademarks.

(c) Lender may enforce the Patents and Trademarks and any licenses thereunder, and if Lender shall commence any suit for such enforcement, Borrower shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement.

7. Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Colorado without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Colorado.

8. Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

9. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of a signature page of this Agreement by telecopy or other electronic means shall be effective as delivery of a manually executed counterpart hereof.

10. SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL. ALL PARTIES TO THIS AGREEMENT HEREBY WAIVE THE RIGHT TO ANY JURY TRIAL IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY. EACH PARTY TO THIS AGREEMENT CONSENTS TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER THE CITY AND COUNTY OF DENVER, COLORADO, IN ANY PROCEEDING OR DISPUTE RELATING IN ANY WAY TO THIS AGREEMENT, AND AGREES THAT ANY SUCH PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH PARTY TO THIS AGREEMENT IRREVOCABLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. Nothing in this Agreement shall be deemed to preclude enforcement by any party to this Agreement of any judgment or order obtained in any forum or jurisdiction.

11. Miscellaneous. This Agreement can be modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, or any course of dealing between Lender and Borrower, shall constitute a waiver of any of Lender's rights or of any of Borrower's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by the Loan Agreement, the Security Agreement, this Agreement, the other Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Agreement, after Borrower's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies. Any and all such rights and remedies may be exercised from time to time and as often and in such order as Lender may deem expedient in its sole discretion. All notices to be given to Borrower under this Agreement shall be given in the manner and with the effect provided in the Loan Agreement. Lender shall not be obligated to preserve any rights Borrower may have against prior parties, to realize on the Patents and Trademarks at all or in any particular manner or order, or to apply any cash proceeds of the Patents and Trademarks in any particular order of application. Subject to any limitations stated in the Loan Agreement, the Security Agreement, this Agreement or any other Related Document on transfer of Borrower's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person or entity other than Borrower, Lender, without notice to Borrower, may deal with Borrower's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Borrower from the obligations of this Agreement or liability under the Indebtedness. This Agreement shall take effect when signed by Borrower and delivered to Lender, and Borrower waives notice of Lender's acceptance hereof. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Indebtedness.

12. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Liens granted to Lender, pursuant to, or securing, this Agreement and the exercise of any right or remedy by Lender hereunder, are subject to the provisions of the Intercreditor Agreement dated as of August 8, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among Lender, Vendor, Borrower and the other Grantors (as defined in the Intercreditor Agreement) from time to time party thereto.
